

Banna Gupta, Dr Ajoy, Meera Munda face defeat, Purnima blooms lotus

PNS : JAMSHEDPUR

Kolhan's political heavyweights faced a major setback as the Assembly poll results were announced on Saturday. Health Minister Banna Gupta, former Jharkhand MP Dr. Ajoy Kumar, Meera Munda—the wife of former Chief Minister Arjun Munda—and senior BJP leader Dineshanand Goswami all suffered humiliating defeats in their respective constituencies, signaling a shift in voter sentiment in the Kolhan region. Congress's Banna Gupta, a prominent figure and Health Minister, fought a

fierce battle against his long standing rival, Saryu Roy, in Jharkhand West. In a nail-biting finish, Roy clinched victory by a margin of 33,000 votes, marking a significant blow to Gupta's political career. Roy's win underscores his enduring popularity in the region, despite Gupta's high-profile role in the state government. In Jamshedpur East, BJP's Purnima Sahu delivered a landslide victory, defeating Congress candidate Dr. Ajoy Kumar by an overwhelming margin of over 47,000 votes. The counting process, conducted at Jamshedpur Cooperative College, was marked by high drama but

ultimately confirmed Sahu's dominance in the constituency. Independent candidate Shivshankar Singh failed to make a significant impact, garnering less than 10,000 votes. Jharkhand Mukti Morcha (JMM) reinforced its stronghold in East Singhbhum, winning four out of the six Assembly seats declared so far. The party's impressive performance highlighted its deep roots in the region and its ability to connect with local voters. Jugsalai Constituency: Incumbent MLA Mangal Kalindi of JMM secured a decisive victory, defeating AJSU Party's Ramchandra

Sahis by over 40,000 votes. Kalindi's triumph reaffirmed her position as a trusted leader in the constituency. Potka Constituency: JMM's Sanjeev Sardar emerged victorious over BJP's Meera Munda, winning

by a margin of approximately 18,000 votes. This defeat dealt a severe blow to the BJP, as Meera Munda's candidacy was backed by her husband's legacy and the party's campaign machinery. Ghatshila Constituency: Sitting MLA Ramdas Soren of JMM defeated BJP's Baboolal Soren, the son of former Chief Minister Champai Soren, by a margin of over 20,000 votes. The result was seen as a significant endorsement of JMM's governance and policies in the tribal-dominated area. Baharagora Constituency: The JMM maintained its hold on this seat as Samir Mohanty defeated BJP's Dr.

Dineshanand Goswami by a similar margin. Goswami's loss marked yet another disappointment for the BJP in the region. The results indicate a strong resurgence of the JMM in Kolhan, undermining the BJP's efforts to regain its foothold. The Congress, too, suffered a setback, with its senior leaders failing to make a mark. Analysts attribute JMM's success to its robust grassroots network and focus on tribal issues, which resonate deeply in the region. As the dust settles, these results will likely prompt major introspection within the BJP and Congress camps.

Meanwhile, the JMM's victories reinforce Chief Minister Hemant Soren's leadership and bolster the party's position ahead of future electoral battles. The defeat of prominent leaders like Banna Gupta, Dr. Ajoy Kumar, and Meera Munda reflects a shift in voter sentiment, emphasizing the need for all parties to reassess their strategies. With JMM's dominance in East Singhbhum, the political landscape of Kolhan appears to be undergoing a significant transformation, paving the way for new challenges and opportunities in Jharkhand's evolving political scenario.

JMM solidifies dominance in West Singhbhum, wins four seats

PNS : JAMSHEDPUR

Jharkhand Mukti Morcha (JMM) has further entrenched its dominance in West Singhbhum, winning four of the five assembly seats in the district. The party's stellar performance underscores the electorate's faith in the INDI alliance, with JMM candidates securing victories in Manjhaon, Manoharpur, Chakradharpur, and Chaibasa. The Jagannathpur seat, however, slipped through JMM's grasp, with Congress's Sonu Ram Sanku delivering a decisive win. Two key JMM leaders—Sukhrum Hembram and Deepak Birua—cemented their political legacy with consecutive third-term victories. Sukhrum Hembram retained the Chakradharpur seat, defeating BJP's Shashi Bhushan Samad by a convincing margin of 9,303 votes. Similarly, Deepak Birua secured his third win from the Chaibasa constituency, solidifying his stature as a trusted leader in

the region. Manoharpur witnessed a significant milestone as Jagat Majhi, the younger brother of MP Joba Majhi, claimed his first victory in the constituency, further extending the family's political influence. In Manjhaon, JMM's Niraj Purty achieved an emphatic win, securing a staggering 94,163 votes and defeating BJP's Barkunwar Gagrai by a record-breaking margin of 59,603 votes. Purty's hat-trick victory underscores JMM's unmatched popularity in this constituency. In a significant setback for the BJP, Geeta Koda, wife of former Chief Minister Madhu Koda, lost her bid for the Jagannathpur seat to Congress candidate Sonu Ram Sanku. This marks her second electoral defeat, following her earlier loss in the MP elections. The defeat not only diminishes her political standing but also serves as a blow to her husband's influence in the region. Sanku's victory by a margin of 7,383 votes highlights the electorate's preference for

Congress in this key constituency. The BJP's losses across West Singhbhum reflect its inability to counter JMM's deep-rooted appeal and grassroots connection with voters. While BJP's candidates struggled to gain traction, JMM's focus on local issues, tribal rights, and sustainable development resonated strongly with the electorate. JMM's stronghold in West Singhbhum highlights the party's ability to consolidate its voter base and address pressing local concerns. The victories in Chakradharpur, Manjhaon, Chaibasa, and Manoharpur reinforce Chief Minister Hemant Soren's leadership and the party's commitment to grassroots development. The election results in West Singhbhum indicate a clear rejection of divisive politics. Voters prioritized development, accountability, and local engagement over polarizing rhetoric. The JMM's strategy of fostering trust and delivering on promises has ensured its dominance in this critical region. With its resounding performance in West Singhbhum, the JMM has further consolidated its position as a key political force in Jharkhand. The BJP, facing consecutive setbacks, will need to recalibrate its strategies to regain lost ground. Meanwhile, the Congress's win in Jagannathpur provides a glimmer of hope for the party in an otherwise challenging electoral landscape.

NITYANAND DUBEY : GARHWA

In a notable triumph for the Bharatiya Janata Party (BJP) in the Garhwa Assembly constituency, candidate Satyendra Nath Tiwari won against Jharkhand minister Mithilesh Kumar Thakur by a substantial margin of 16,772 votes. Tiwari received a total of 131,361 votes, whereas Minister Thakur secured 114,589 votes. A total of 20 candidates participated in the Garhwa Assembly constituency. Vote counting for the election results was conducted across 20 tables over 23 rounds, during which the BJP candidate maintained a lead in each round. However, in certain areas of Garhwa block, such as Chiniya, Rank, and Ramakanda, Tiwari faced a decline in a few rounds. Out of the 6 assembly seats in Dhanbad district, Sindri and Nirsra that were with BJP in 2019 slipped out of its hands. The CPI-ML wrestled those seats with a comfortable margin. Team India take commanding 218-run lead against Australia

PTI ■ PERTH

Yashasvi Jaiswal combined awareness with perfect shot selection while KL Rahul remained technically unflappable in an unbroken opening stand of 172 as India looked set to bat Australia out of the match with an overall lead of 218 runs on the second day of the opening Test here. After skipper Jasprit Bumrah's game-changing 11th five-wicket haul decimated Australia for 104, young Jaiswal (90 batting, 193 balls) and seasoned Rahul (62 batting, 154 balls) decided to grind it out with some old fashioned Test match batting by waiting for the loose deliveries and respecting good fast bowling. The Indians showed their compact defense by scoring 88 runs in 31 overs during the post-tea session as Jaiswal inched towards a coveted ton on his maiden outing on Australian soil. With enough time at their disposal and signs of cracks appearing on the surface,

this is going to be India's Test match to lose. The way Rahul wore down the Australian attack was a sight to behold. There was no chatter from the slip cordon and at one point, the stitches of the Kookaburra came out. The live grass died by the second afternoon and the seam movement also went out of equation making batting easier. But no one can take away any credit from the two who were hardly troubled except for a mix-up that could have led to Rahul's run-out. Jaiswal also showed that he had learnt his lessons from the first innings and curbed his urge to drive on the up initially, which was the best part about his batting. Each of his seven fours and two sixes were well-executed shots. Once he had defended enough deliveries, the Australian pacers didn't have any option but to try either short or full length which he utilised well. The whip over mid-wicket to hit Starc for one-bounce four and then induce a grin from

the pacer by telling him "you are slow," spoke volumes about how fearless the current generation of Indian cricketers is. In the final session, he flicked him for good measure for a maximum. Rahul's back-drive off Pat Cummins can easily be called the shot of the match but it was heartening to see

Jaiswal put in a big stride forward while driving Mitchell Starc through covers apart from getting under the bounce and playing the ramp shot. In case of Rahul, he kept a very loose bottom-hand and that helped with the deliveries, even the ones that took the thickish edge only to fall way in front of the slip cordon. There was a spell of play in the post-tea session when Indians were kept quiet by Nathan Lyon but neither Jaiswal nor Rahul ran out of patience. Jaiswal's half-century came off 123 balls, his slowest in 15 Tests and spoke volumes about his adaptability. For Rahul, it was about forgetting the unfortunate dismissal on Friday and concentrate, which he did splendidly. Any target above 300 would be very difficult to chase on this track and Washington Sundar can come into play if those cracks open up, not to forget the three quicks who can use the variable bounce to good effect. In the morning, India

captain Bumrah deservedly got his 11th five-wicket haul while debutant Harshit Rana bowled a fiery opening spell to dismiss the hosts for 104 at the stroke of lunch despite a stiff last-wicket resistance from Mitchell Starc and Josh Hazlewood. Starc (26 off 113 balls) shielded Hazlewood (7 not out off 31 balls) admirably during their 25-run last-wicket stand that lasted 18 overs. The day began with Bumrah (5/30 in 18 overs) getting one to rear up from back of the length and Carey's edge carried at a good height to Rishabh Pant behind stumps. The skipper's celebration was understated as he purposefully strode back to his bowling mark even before Nathan Lyon had arrived. At the other end, the burly Harshit Rana (3/48 in 15.2 overs) carried on from where he had left off on the opening day. The rookie speedster used more short balls, and one such well-directed delivery accounted for Lyon, who was pounced at gully by KL Rahul.

I'll make Deepika world's best drag-flicker: Harendra

PTI ■ NEW DELHI

Indian women's hockey team's chief coach Harendra Singh says fast-rising striker Deepika has the potential to be a brilliant drag-flicker as well and helping her realise that potential will be one of his primary targets along with ensuring that the team's fitness levels never fall on his watch. Unlike most dragflickers in the world, who are defenders, Deepika is a striker and showed her brilliance with field goals in the recently-concluded Asian Champions Trophy in Rajgir, Bihar. She emerged as the highest goal-scorer in the tournament with 11 strikes, mostly field efforts. "I am not concerned about PCs because I know we are working and we are going to eradicate this problem very soon. I know we are looking at instant coffee from Deepika but I am sure I will make her one of the best drag-flickers of the world in women's hockey just like I made Harman," Harendra told PTI in an exclusive interview referring to his stint with men's team and the work done with its star captain Harmanpreet Singh.

"We need to give her some time, she is just 21. She has already become a star. She is a good scorer from field play, and she will become a very good drag-flicker as well," he said. Harendra described Deepika as "special" but he said her approach to drag-flick needs to be work on. "I am sure very soon she will get the results," he said. "Mentality matters and her mentality has changed and she wants to be the best player. But it's always a process, we can't jump so fast. I am working on small details with her." The chief coach, however, was satisfied with the performance of the players in the ACT and said it is just the first step towards his mission for the 2028 Los Angeles Olympics. "Whatever was the target, we have achieved but there are a lot of things which we need to achieve. We have improved on our attacking style, defence and circle penetrations. Whatever we took shots on goals were quality ones. "Paris is past...There was no point sitting and crying over it, rather it was important to move forward and work on the areas where we needed to

improve," he said. "We had one-on-one fruitful meetings with the players where we got in-depth details on all aspects and made a chart about what needs to be done and worked on what was in our hands." Fitness is one area which Harendra had emphasised on since taking over in April this year and he is quite happy with the results although he feels there is still scope for improvement. "The icing in the cake was the one-week camp in the INA (Indian Naval Academy) which Hockey India provided us. It played big role in team-building and team unity. But to be frank the journey has just started, we can't be happy," he said. "Fitness is the biggest concern. The first day I joined, I made it clear that whoever you may be, how bigger players you might be but if you are not fit you won't be part of the side. Whoever is not fit can't board this bus, this was my clear directive." Harendra said his vision is LA 2028 and earning a direct ticket to the quadrennial event through the World Cup, to be jointly hosted by Belgium and Netherlands and the Asian Games in Japan, both in 2026.

Harshit Rana has potential to become multi-format bowler for India: Coach Negi

PTI ■ NEW DELHI

Harshit Rana's meteoric rise might have come as a surprise to many but not his coach in his formative years, NS Negi, who has seen the strapping youngster mature into a pacer with the "potential to become a multi-format bowler for India." Starting as a net bowler with Gujarat Titans in 2022, Harshit played a key role in guiding Kolkata Knight Riders to IPL glory in 2024, and announced his arrival on the international stage with a dream debut in the opening Border-Gavaskar Test at Perth, where he returned figures of 48 for 3 in the first innings. Negi, Harshit's coach from his U19 days in Delhi, couldn't hide his joy on seeing his ward's exploits on a bouncy and seaming Perth pitch. "Harshit is a very talented bowler. He had been bowling extremely well in the last two seasons of the Ranji Trophy. Last year, when I was the

fielding coach of the Delhi Ranji team, he made his debut and bowled extremely well. "It is just the beginning; he is one such player who should go on and play at least 70-80 Test matches for India... In fact he should go on and play all three formats for India," Negi told PTI Videos in an interview. Rana inclusion in the side raised many eyebrows given the fact that he had

just 10-odd first-class games under his belt. But Negi felt this was the right time to debut him in Tests given his amazing bowling statistics. In 10 first-class matches, Harshit has taken 43 wickets at 24.00 and has an impressive batting average of 42.63, including a blazing unbeaten 122 against North-East Zone. Negi and Rana met in 2018 when the fast bowler was selected to play for the Delhi U19 team. Negi, who has also been associated as a fielding coach with Gujarat Titans in the IPL, said that Harshit always had the drive to bowl fast but gradual improvements in fitness played a big role in his success. "In 2018, when I was the head coach of the Delhi U19 team, I noted that he had a very smooth action and a good rhythm. He could bat well. He worked on his fitness and pace and gradually improved as a bowler. "The most important thing is that he is a fighter. When I first picked

Mayank (Yadav) and Harshit in the team, they were both very raw but promising. I just hope that he continues to work on his fitness and gradually keeps increasing his pace," said Negi. Negi believes that Harshit has the ability to come good with the bat lower down the order. His advice to the youngster is to learn as much as possible from pace spearhead Jasprit Bumrah and keep bowling to his strengths to succeed in international cricket. "He is a good batter as well and in the coming years may perform well with the bat as well. He is someone who can easily score 30-40 odd runs batting lower down the order for India. "Harshit should keep a check on his fitness and try to learn a lot from the modern-day legend, Jasprit Bumrah. He just needs to back his strengths while bowling and that will help him succeed in the international cricket... He has the talent, bounce and pace," concluded Negi.

Tilak Varma makes record-setting hundred; Shreyas smashes ton ahead of IPL auction

PTI ■ MUMBAI

Tilak Varma became the first batter ever to notch three successive hundreds in T20s, while Shreyas Iyer underlined his credentials with a smooth century ahead of the IPL mega auction, as the two Indian batters hogged the limelight in the first round of the Syed Mushtaq Ali Trophy on Saturday. In a Group A match, Tilak, who made hundreds recently against South Africa at Centurion and Johannesburg, added one more three-figure knock to the list against Meghalaya in Rajkot. The left-hander made 151 off just 67 balls with 14 fours and 10 sixes to guide Hyderabad to 248 for four in 20 overs. In the process, he also became the first Indian male cricketer to score a 150-plus score in T20s. India woman batter Kiran Navgire had made a 162 for Nagaland against

Arunachal Pradesh in the senior Women's T20 Trophy in 2022. Opener Tanmay Agarwal supported his skipper Tilak with a 55 off 23

balls. Anikethreddy and Tanay Thyagarajan shared seven wickets among them as Hyderabad bundled

out their rivals for 69 to celebrate a massive 179-run victory. Shreyas shines Shreyas, who was released by Kolkata Knight Riders despite leading them to the IPL 2024 title, made a timely reminder about his skills with an unbeaten 57-ball 130 (11x4, 10x6) for Mumbai against Goa in a Group E match. Shreyas' hundred led Mumbai to 250 for four, but Goa made a spirited chase before ending up at 224 for eight, going down by 26 runs. Suyash Prabhudesai was their top-scorer with a 52 off 36 balls. Brief scores Hyderabad 248/4; 20 overs (Tilak Varma 151, Tanmay Agarwal 55) beat Meghalaya: 69; 15.1 overs (G Anikethreddy 4/11, Tanay Thyagarajan 3/15) by 179 runs. Mumbai 250/4; 20 overs (Shreyas Iyer 130 not out) beat Goa 224/8; 20 overs (Suyash Prabhudesai 52, Vikash Singh 47 not out; Suyansh Shedde 2/18) by 26 runs.

Australia coach McDonald surprised about behaviour of wicket on day two

PTI ■ PERTH

The home team bowlers did not put a foot wrong but the pitch dried up quite quickly at the Optus stadium on the second day, eventually helping the Indian batters, reckons Australia head coach Andrew McDonald. India openers Yashasvi Jaiswal (90) and KL Rahul (62) frustrated the hosts with their dogged unbeaten 172-run stand that has put the game in firm control of the visitors, who now lead by 218 runs. While the wickets fell in heap on the opening day with as many as 17 batters getting out, only three Australian tail-enders were dismissed on the second day. "The surface looked considerably dry today. It dried out fairly quickly," said McDonald during the post-day press conference. "We thought there may have been a little bit more there. So, I suppose if you want to say that we were a little bit surprised, yeah, there wasn't as

much seam movement or swing. "The bowlers were presenting the seam in a similar fashion to they were yesterday. So I think the conditions may have had some say in that." McDonald said there was hardly any assistance for seam or swing, compared to the first day. "If you look at the seam and swing, it was down comparative to yesterday. Yesterday was difficult work, I thought KL (Rahul) and Jaiswal played extremely well also. "You need to ride your luck a little bit. Our guys got the balls in the right areas, and there was some plays and misses as well, so anything can happen if you get some edges on that. It could be a totally different day, but I think the conditions have changed, I'll state that," he said. "In terms of the way that we bowled, I don't think it was too dissimilar, potentially early on we may have been a fraction short, if it was to be critical, but I thought

they went about their work well, it could have been a different day." However, McDonald does not think Australia do not stand a chance in the series-opener, pinning hopes on the nature of Test cricket that keeps both the teams in hunt till the end. "You've got the driver's seat at the moment, but that's not to say that tomorrow can't change very quickly. Test cricket ebbs and

flows, we've all been a part of a game when you've been well ahead of the game and it can twist and turn, so we've got to get to work on what it looks like for us tomorrow morning," he said. "It's about 20 odd overs to the second new ball, we've got to work out a way to navigate through a few batters before that second new ball arrives and that could be our entry point back into the game."

He though admitted that they have to "get tactics right". "If we're too aggressive then the scoreboard runs and then you put yourself right up against it. So it's a real combination about controlling the tempo of the game and creating opportunities within that." From the situation that India have batted themselves into, it is real a possibility that the hosts maybe looking at stiff chase of beyond 400 but McDonald would prefer not to look that far ahead. "We're not looking that far ahead, we've got 10 wickets to take first, so that's our first focus. No, no targets, clearly 10 wickets to get, first priority, then we'll move from there." Talking about the frantic first day, the Australia coach admitted that it could be due to the nerves the players of both the teams felt due to the occasion. "No doubt both the teams would have had some nerves there leading into a big series, so there

might have been some error on the back of that, but I think as a batting unit when you get a look at a wicket and then obviously your bowlers go about their work and you get a second up opportunity, I think it looks a little bit different in terms of your mindset, you knowing what to expect and you can work from there." McDonald also backed Marnus Labuschagne, who consumed 52 balls for his two runs in the first innings. "He's working his game as hard as ever. There's no doubt he can learn some lessons from the first innings, like I think both teams' batters. "So he'll be the same in the nets this morning, working through what his method's going to be in the second innings. And clearly, your mindset changes based upon the conditions as well. So the game plan from the first innings is going to look different from the second innings."

THE SABARMATI REPORT

THE FILM UNVEILS THE INFLUENCE OF POLITICAL CLOUT AND JOURNALISTIC INTEGRITY IN THE WAKE OF A HISTORICAL TRAGEDY, SAYS **ABHI SINGHAL**

Directed initially by *Ranjan Chandel* and later helmed by *Dheeraj Sarna*, *The Sabarmati Report* intricately explores the interplay of political dominance and media influence against the backdrop of one of India's most contentious events—the *Godhra train* burning incident of February 27, 2002. This film, inspired by real-life events surrounding the *Sabarmati Express* tragedy, delivers a compelling narrative steeped in investigative journalism, political

dynamics, and the moral dilemmas of media reporting. The movie begins with an electrifying depiction of the bustling newsroom environment, immediately pulling viewers into the heart of the journalistic world. The talented cast, led by *Vikrant Massey* as *Samar Kumar*, *Raashii Khanna* as *Amrita Gill*, and *Riddhi Dogra* as *Manika Rajpurohit*, along with *Barkha Singh's* impactful cameo as *Shloka*, infuses life into the gripping storyline. The plot meticulously recreates the harrowing events of the

Godhra train incident, where 59 individuals, predominantly Hindu pilgrims and karsevaks returning from Ayodhya, tragically perished in a devastating fire. With a meticulous portrayal of the horrific aftermath, the movie confronts viewers with the sheer magnitude of the tragedy while shedding light on the media's struggle to strike a balance between truth and sensationalism. *Riddhi Dogra's* portrayal of *Manika Rajpurohit*, an English news anchor with an air of arrogance and confidence in her abilities,

adds depth to the media-focused narrative. The first half captivates audiences with its vivid storytelling and intricate character in a devastating fire. However, it is post-intermission where the film takes a gripping turn, delving into the core of the investigative efforts to uncover the truth behind the train-burning case. *Vikrant Massey* delivers a masterful performance as *Samar Kumar*, transitioning from an idealistic journalist to a relentless investigator with remarkable ease. His character's transformation is

riveting, offering a nuanced look at the challenges faced by those who dare to question authority. *Raashii Khanna* shines as *Amrita Gill*, a determined intern navigating the salted waters of media politics. Her journey alongside *Samar* not only drives the narrative forward but also marks a significant milestone in her acting career. While the film boasts strong performances and a compelling storyline, it does falter slightly in its attempt to inject humour into serious moments, which at times feels forced and disrupts the

intensity. The background score, however, compensates by effectively amplifying the gravity of each investigative sequence, adding a layer of immersion for the audience. *The Sabarmati Report* follows in the footsteps of recent titles like *The Kashmir Files* and *The Kerala Story* of having hits and more profits. The film has a crafting a fiery and provocative narrative designed to resonate with viewers on an emotional level. However, it stands apart by striving to present a nuanced perspective on media

ethics, to take out the truth and the complex interplay of truth and political agendas. With good performances which could have been improved while playing the characters, a thought-provoking storyline, and a reflection on the moral quandaries of journalism, *The Sabarmati Report* is a cinematic endeavour that not only entertains but also compels viewers to question the very fabric of truth and power in today's world.

Preserving India's Constitutional Legacy

O.P. Jindal Global University inaugurates India's first Constitution Museum, writes **ABHI SINGHAL**

India's political history is a tapestry of landmark events, judicial milestones, and moments that merit broader recognition. Yet, a significant portion of the population, including children, remains unaware of the profound influence the Constitution has on their lives. To bridge this gap, O.P. Jindal Global University (JGU) has established India's First Constitution Museum, inaugurated on Saturday, at its Sonapat campus. The museum aims to deepen the understanding of the Constitution through diverse sections that highlight its historical significance and the pivotal debates shaping its formation. Designed to be a hub for education and reflection, the museum employs innovative approaches to engage visitors, offering a vivid narrative of the Constitution's 75-year journey. Through interactive installations, cutting-edge technology, and AI-driven displays, the museum will bring history to life. The museum will also house an archive of expert interviews exploring various aspects of the Constitution, making it an invaluable resource for scholars and enthusiasts alike. As the first initiative of its kind at an educational institution, the *Constitution Museum* underscores JGU's commitment to integrating education, culture, and technology. LOBSTERS TAKE CENTRE STAGE AT GRAPPA POP-UP

FOODFREAK

Pawan Soni
Food critic and founder of the Big F Awards

Exciting culinary happenings continue to enrich NCR's food scene, with innovative pop-ups and eateries introducing diverse menus. The latest buzz? The celebrated London-based chain *Burger & Lobster* has brought its famous flavours to Delhi with an exclusive pop-up at *Grappa, Shangri-La Eros Hotel*.
As a seafood enthusiast, I couldn't resist the allure of this pop-up, and I'm thrilled to say it didn't disappoint. These aren't the usual *lobsters* found locally, which primarily offer meat in the tail. Instead, these are exquisite *Atlantic lobsters flown* in from Canada, boasting sweet, chunky meat in both the claws and the tail. For the uninitiated, their texture and flavour might even be mistaken for crab—but one bite will make their unique charm unmistakable.
Served steamed or grilled, these *lobsters* are paired with a delightful *lemon butter garlic sauce* that compliments their natural sweetness without overpowering it. Every bite was pure indulgence. Priced at ₹5,800, they're a luxurious yet fairly priced treat, especially given the five-star ambiance. The European-style patio

seating overlooking lush greenery further elevates the experience. For those who crave a pasta twist, the *Lobster Mac & Cheese* is a must-try. Even as someone who typically steers clear of pasta, I found it irresistible. Rich with *lobster meat* and coated in a decadent three-cheese sauce blended with *lobster bisque*, the dish is creamy and perfectly balanced. At ₹1,800, it's a satisfying portion worth every rupee.
The menu also offers a variety of burgers. I shared the *Waffle Chicken Burger* with a friend, and it was a delightful surprise. A *crispy fried chicken thigh* nestled in a Belgian waffle and drizzled with ranch sauce, simple yet satisfying.
If you're intrigued, don't wait too long. Book your slot before this pop-up ends, or you might find yourself chasing these lobsters all the way to London!

THE ART AND SPIRIT OF CAKE MIXING

TEAM AGENDA

AT CROWN PLAZA, MAYUR VIHAR

The Crown Plaza Mayur Vihar recently hosted its annual Cake Mixing Ceremony, embracing the charming theme of an English Country Christmas. This delightful event transformed the hotel into a festive wonderland, inviting guests to partake in a time-honoured tradition that has brought people together for centuries.

The roots of cake mixing trace back to 17th-century Britain, where this delightful ceremony marked the end of the harvest season. Farmers would gather to soak fruits and nuts in spirits, preserving them for the rich Christmas cakes that would grace tables during the cold winter months. This joyful gathering symbolised abundance, gratitude and the spirit of community, a celebration of nature's bounty and the warmth of togetherness.

At the Crown Plaza, the atmosphere was filled with excitement and laughter as guests rolled up their sleeves and joined in the festive fun. The delightful aromas of dried fruits, fragrant spices and rich spirits filled the air, creating an inviting and warm environment. This year's theme of an 'English Countryside Christmas' was beautifully reflected in the décor, featuring the traditional red, white and green colours that evoke feelings of warmth and festivity. The venue was adorned with charming elements reminiscent of the British countryside, where cosy cottages and snow-covered landscapes create a magical setting for the holiday season. This theme perfectly encapsulated the simplicity of nature, celebrating the spirit of family and community gatherings that are central to the festive season. As guests stirred the mixture, they shared stories and laughter, reinforcing the bonds of friendship and family. This camaraderie mirrored the gatherings of the past, where communities would unite to prepare for the joyous celebrations ahead. Once the mixing was complete, the cakes created during the ceremony would be set aside to mature in their rich blend of flavours, ready to be enjoyed during the Christmas festivities. The sharing of these cakes with the wider community reflects the

essence of the occasion, joy is amplified when shared with others. The Cake Mixing Ceremony at Crown Plaza embodies the essence of tradition, community and connection. In our fast-paced world, such events encourage us to pause, reflect and appreciate the simple pleasures that life offers. As attendees departed, they left not only with a sense of festivity but also with cherished memories of laughter and connection.

AT LE MERIDIEN, NEW DELHI

In recent years, cake mixing has become a much-anticipated ritual in the culinary calendar, where the joy of the holiday season is brought to life through the vibrant mixing of ingredients that will eventually turn into Christmas cakes. Traditionally marking the beginning of Christmas preparations, cake-mixing ceremonies have their roots in the mediaeval custom of feeding the Christmas cake with spirits and fruits, infusing it with rich flavours that are synonymous with the festive season. In hotels, restaurants and homes around the world, cake mixing symbolises warmth, joy, and a shared experience of holiday spirit. The cake mixing ceremony serves as a festive kick-off, celebrating togetherness and the joy of giving. This tradition often includes the blending of dried fruits, such as raisins, cherries, apricots, and

nuts, along with a blend of warming spices and a generous pour of spirits. The ingredients are then left to mature, allowing the fruits to soak in flavours, adding depth and complexity to the Christmas cakes and other holiday treats that will be shared with family and friends. Each year, Le Meridien New Delhi joins in this timeless tradition, creating a unique and memorable experience for guests and locals alike. This year, the hotel launched its '#WinterOfJoy' celebration with a magical cake mixing ceremony at their elegant venue, Longitude. The event drew food enthusiasts, media, and hotel guests together, where they witnessed the rhythmic blending of exotic fruits, spices, and luxurious ingredients, building anticipation for the holiday treats that await. Meena Bhatia, Vice President and General Manager of Le Meridien New Delhi, remarked on the occasion, "We are thrilled to embark on our '#WinterOfJoy' celebration with this heart-warming timeless tradition. We invite everyone to join us in experiencing a symphony of flavours, sights, and sounds as we embark on a festive journey." The cake-mixing ceremony at Le Meridien New Delhi symbolises more than just the beginning of Christmas preparations; it represents a celebration of life, tradition and community.

indulge in long, relaxing soaks. As a guest with access to a suite, I also enjoy the privilege of the Four Seasons remarkable 45th-floor Executive Club Lounge. It is an absolute delight, offering complimentary breakfast and afternoon tea, along with all-day refreshments, including beer, wine, soft drinks, and hot beverages. As evening approaches, the lounge transforms into a vibrant social space, serving champagne, cocktails, and a delightful array of both hot and cold buffet options—truly one of the city's best-kept secrets.

SIP, SAVOUR, CELEBRATE

The Four Seasons is an extraordinary culinary haven, boasting an impressive eight Michelin stars spread across three of its exceptional restaurants. I am fortunate enough to indulge in Lung King Heen, the first three-Michelin-star Chinese restaurant, delivering exceptional Cantonese cuisine through teamwork, quality ingredients, and outstanding hospitality, presenting

each dish as a masterpiece. Caprice, under Chef Guillaume Galliot, masterfully blends classic French cuisine with global influences, showcasing fresh ingredients, inventive techniques, and an exceptional wine and cheese selection for a remarkable dining experience. The French fine dining restaurant mesmerises me with a stunning visual and culinary symphony, also graced with three stars. Then there is the renowned Sushi Saito, where the expertise of Japanese seafood truly shines, earning its well-deserved two stars. Each morning, I savour a sumptuous international breakfast served in The Lounge on the ground floor. The offerings are nothing short of delightful: a vibrant selection of tropical fruits, delicate dim sum, eggs cooked to order, and an endless array of breads and pastries that set a luxurious tone for the day ahead. In the evenings, I discovered cocktail bar Argo, one of the world's best bars, presenting a new cocktail menu featuring 12 creations that celebrate familiar Hong Kong fruits and botanicals, showcasing their versatility. Its deco-inspired interior of glass and mirrors creates an enchanting atmosphere as I relish some sensational mixology. The Silver Fox, a remarkable concoction featuring Havana Club rum, fig leaf, oak lactone cordial, preserved lemon, and tonka, feels like drinking a piece of bliss. Each moment at The Four Seasons Hong Kong is a celebration of the finest flavours and experiences.

Since its inception in 1973, Mercure has been a champion of wanderlust, inviting globetrotters to embrace their inner local in every corner of the world. With a footprint spanning 65 countries and boasting 1,000 distinctive addresses, Mercure is dedicated to enveloping guests in a tapestry of local charm while upholding the highest hospitality standards.

EMBRACING COMMUNITY THROUGH CUISINE:

I was absolutely delighted to join the celebration at Mercure Dubai Deira for the grand occasion of their 1,000th hotel opening worldwide. With 1,000 locations under its belt, Mercure's mid-scale brand truly excels in forging authentic connections to local cultures around the globe. The evening's theme, 'Discover Local Elements,' set the stage for an exquisite culinary experience brimming with dishes crafted from locally sourced ingredients. The standout moment for me was savouring the cinnamon-infused UAE rack of lamb, clay-cooked to perfection, delivering unmatched tenderness and flavour. For dessert, we indulged in a delicious pistachio honey cake—a refreshing take on the beloved pistachio chocolate trend. To heighten the excitement, we got a sneak peek at the '1,000 Local Flavours' menu, launched on 1st November and delighting taste buds for 42 days. A highlight was

the desert salad, featuring the iconic ghaf leaves of the UAE, a beautiful homage to local culture and heritage. This gathering not only celebrated Mercure's unwavering commitment to showcasing local flavours but also strengthened community connections in a vibrant and fulfilling way. Paul Stevens, the chief operating wizard at Accor for the premium, mid-scale, and economy realms across the Middle East, Africa, and Türkiye, exclaimed, "Hitting the 1,000-address mark isn't just a number; it's a vibrant badge of Mercure's unwavering commitment to authentic, locally-inspired hospitality around the globe! The '1,000-Hours of Local Flavours' is a delightful dive into cultural richness and community bonds, whisking guests away on a culinary

adventure that truly captures the heart and soul of each destination. And the excitement doesn't stop there—Mercure is rolling out the welcome mat for over 200 new hotels by 2028!"

SUSTAINABLE LUXURY REDEFINED:

Julia Schamne, cluster general manager, has truly transformed Mercure Dubai Deira into a beacon of sustainability since its January opening. With an unwavering commitment to eco-friendly practices, the hotel has embraced compostable materials, bid farewell to plastics, and ensures guests enjoy unlimited, filtered water right in their rooms. The garden-to-table concept in the main restaurant beautifully showcases partnerships with local suppliers, including Hatta's Honeybee Farm, emphasising our dedication to sustainability. Nearly half of the menu is dedicated to delightful plant-based options, underlining our focus on health and environmental care. Moreover, Mercure's diverse team, representing 31 nationalities, embodies the 'heartiest' spirit, highlighted by strong female leadership in critical roles such as HR and rooms management. The changes instigated under Julia's guidance reflect a holistic approach to hospitality, integrating sustainability and inclusivity at every level.

COMMUNITY-DRIVEN FUTURE AHEAD:

Having learned about the hotel's future

plans, I am truly excited about what lies ahead! The focus remains firmly on members, ensuring their needs are never overlooked. "The fantastic feedback we've received from our loyal Accor members speaks volumes about our robust loyalty programme. In fact, we rank among the top contributors in terms of member stays and direct bookings, thanks to Mercure's well-recognised and widespread brand. As one of the largest and fastest-growing mid-scale brands, we thrive on strong storytelling and high standards. Looking forward, we're committed to enhancing our personalised approach for members, providing them with dedicated attention and individual spaces," shares Julia Schamne. Accor is also eager to increase their community contributions, which is essential for them as a group. Additionally, they are exploring ways to deepen their involvement in charity work, allowing them to give back in significant ways. Their vision is to become the go-to spot for the community, whether it's for a cosy cup of coffee or laundry services. They want to be a place where neighbours can comfortably connect to Wi-Fi or hold quick meetings. Ultimately, the goal is to be the neighbourhood hub where everyone feels at home, capturing the essence of 'Discover Local' for the community.
