## Disengagement complete at LAC

disengagement process at two friction points in Depsang Valley and Demchok at the Line of Actual Control (LAC) in eastern Ladakh is complete. Patrolling by India and China will commence soon as agreed upon between the two countries. The two sides will exchange sweets on Thursday on the occasion of Diwali.

Giving this information here on Wednesday, sources said the local commanders of the level of Brigadier from both the sides will continue their talks. The two officials will decide on patrolling modalities in the two areas, they said. India on October 21 announced that the two countries have reached an agreement on patrolling. Sources said that verification

post-disengagement is patrolling and modalities are to be decided

between ground commanders. On October 25, sources here said the disengagement process was likely to get completed by October 28-29.

The agreement framework was signed first at the diplomatic level and then military-level talks took

place, they had said, adding the nitty-gritty of the agreement was worked on during the Corps Commander-level talks which was signed last week.

countries had nosedived following a fierce clash in the Galwan Valley in June 2020 that marked the most serious military conflict between the two sides in decades. Sources earlier said the areas and patrolling status were expected to be moved back to pre-April 2020 level.

Foreign Secretary Vikram Misri on October 21 had said in New Delhi the agreement was finalised following negotiations over the past several weeks and that it would lead to a resolution of the issues that arose in 2020.

On October 23, Prime Minister Narendra Modi and Chinese President Xi Jinping endorsed the agreement on patrolling and disengagement along the LAC in eastern Ladakh during their bilateral meeting on the sidelines of the BRICS Summit in Kazan in Russia.

to Lawrence?

In a scathing remark, the Punjab and Haryana High Court said that police officers in Punjab provided a studio-like facility to gangster Lawrence Bishnoi to facilitate his interview with a news channel. A Bench of Justices Anupinder Singh Grewal and Lapita Banerji made the remark while hearing a suo motu matter related to inmates' use of mobile phones within jail premises. The High Court ordered further probe, rejecting the report of the Special Investigation Team (SIT) and directed the Director General of Police (DGP) to file an affidavit in this regard.

"The police officers allowed the criminal to use electronic devices and provided a studio like facility to conduct the ch ten with the potential to facilitate other crimes including extortion by the criminal and his associates. Involvement of the police officers may suggest receipt of illegal gratification from the criminal or his associates and constitute offences under Prevention of Corruption Act. Therefore, the case requires further investigation," the Court said in an order dated October 28.

The Bench made the remarks while questioning the SIT's decision to file a cancellation report in a case related to the interview given by Bishnoi.

This comes in the light of a recently released Delhi road roads of the National Capital crash report of 2023, which are among the most prone to revealed that a pedestrian or road fatalities as data reveals

'In 2023, 622 pedestrians died in 618 fatal crashes caused by all types of vehicles as compared to 629 pedestrian deaths in 2022. The maximum pedestrian casualties were caused due to car, jeep and taxis which have increased to 76 this year compared to 69 in 2022," the report read.

It also revealed that twowheeler riders have emerged as second most fatal crashprone victims. "The above figure shows 538 fatal crashes of two-wheelers in 2023 as compared to 539 in

2022. These two-wheelers were the worst hit by Heavy Vehicles (HTVs) (89) followed by Car/Jeep/Taxis (66) in 2023," it stated.

According to the report, prepared by the traffic police and released by Delhi Police Commissioner Sanjay Arora, the number of deaths in road crashes has however decreased from 1,264 in 2022 to 1257 in 2023 despite the increase in the number of vehicle registrations.

Moreover, the number of drivers booked under traffic violation has increased from 4,38,052 in 2022 to 6,39,097 in the Year 2023.

The Delhi government has approved a Anywhere Registration Policy, with this the sale and purchase of properties in the National Capital can be registered at any subregistrar's office. The move will help the thousands who have to visit Sub-Registrar Offices, at different locations, and is also aimed at curbing corruption and harassment. Under the policy, buyers can now take an online appointment at any of the 22 Sub-Registrar Offices, across the National Capital for their property registration. They do not have to physically visit any sub registrar office to register the sale/purchase deed of their properties. The policy will save people from long queues for property registration, thus promoting transparency to help curb corruption. thus Traditionally, to buy or sell property in Delhi, people need to visit a designated Sub-Registrar Office. Whether it's a property transaction or registering the property through other means, one has to go to the Sub-Registrar Office. However, this process often led to challenges, including long waiting lines and delays in booking appointments at certain offices, while others remained underutilised.

All Sub-Registrars in Delhi will now function as joint sub-registrars and their jurisdiction will cover the entirety of Delhi. The new registration software, National Generic Document Registration System, now allows people to upload the necessary documents required for the registration of sale deeds, power of attorney and wills from the comfort of their homes, make payment and take appointments at the sub-registrar office to complete the remaining formalities.

"So, anyone residing in Delhi can make an online appointment for property registration at any of the 22

Sub-Registrar Offices in Delhi," said a sub registrar official. According to an estimate, nearly 2,000 documents of 28 different categories are registered at 22 Sub-Registrar offices on a given working day. Some offices get 50 applications and there are a few which receive up to 150 documents in a day. In 2022, 1.25 lakh documents were registered at the offices of the sub registrar. While Janakpuri, Kashmere Gate,

Model Town and Pitampura are among the most-crowded offices, Sarojini Nagar, Preet Vihar and Defence Colony witness the least number of applicants. The Delhi government recently appointed joint sub-registrars at six of its most crowded offices to ease the rush. Explaining this, Delhi Chief Minister Atishi said that the Anywhere Registration' policy is being introduced to resolve these problems.

"Under this policy, anyone seeking property registration can go to any sub-registrar office in Delhi. Residents will no longer be limited to just one designated office for property registration," Atishi added. The government has received a

number of complaints and suggestions to improve the functioning of the sub registrar office which is one of the major departments to contribute to the state's financial health.

### When brake lights lit up peak traffic chaos

Serpentine snarls were witnessed across the National Capital on Diwali eve

 $T^{\text{he festival of lights is here, and}} \\ \text{for thousands of commuters it} \\$ also means the brake lights of the scores of vehicles in front of them. It was difficult to enumerate the number and location of these serpentine traffic snarls that were witnessed across the National Capital on the eve of Diwali.

The roads were jammed, the pavements had been taken over as shops set up display counters outside, and inside buyers stood six rows deep waiting for their turns. Many others made a beeline for malls, to grab just the perfect gifts to make the festival of lights a memorable affair for their loved ones, creating significant delays and inconvenience to commuters. Even as traffic police made arrangements to minimise inconvenience to commuters, social media was rife with tales of commuting woes. Videos on social media showed long lines of vehicles stuck in traffic in Laxmi Nagar, Chirag Dilli, Kashmiri Gate, Kamla Nagar, Lajpat Nagar, Sarojini Market, Karol Bagh, Sarai Kale Khan and several other parts

Expressing frustration over the significant jams against the Delhi Traffic Police, a commuter said, "Please deploy your teams on the roads. There is not a single traffic police available on roads in Delhi despite heavy festive rush. From Sheikh Sarai flyover to Moolchand flyover, traffic is choked.

Another commuter travelling around the Laxmi Nagar area "Delhi is experiencing

Chandni Chowk, Connaught Place, Mangolpuri, Rajouri Garden and Najafgarh. "Nangloi-Najafgarh road is seeing very heavy traffic and no traffic police are available here. I am stuck for the last hour. Should we enjoy Diwali by sitting in our cars?" Commuters took to X saying the traffic was heavy at several places

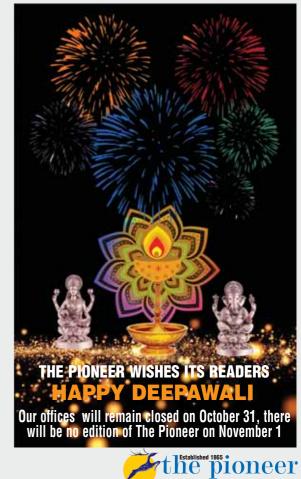

including Badarpur flyover, CV Raman Marg, Punjabi Bagh,

Mehrauli Badarpur Road, Taimur Nagar-Maharani Bagh Road, Ashram and Yamuna Vihar. This situation remains despite the

Delhi Police saying that they have made elaborate arrangements for smooth flow of traffic. A senior traffic police officer said they have intensified checking on the road. "We have deployed personnel on bikes to check the encroachment on busy roads which could lead to traffic congestion in the area. People who are coming to the markets are also informed that they should park their vehicles at

designated places," it said.
"The personnel have loud speakers on their bikes to make the flow of traffic smooth. Nondestined vehicles are not being allowed to enter the national Continuous capital. encroachment drives are also being carried out in the crowded places," the officer said.

In view of the festive season, the Delhi Metro also stated that it will introduce additional 60 trips on Tuesday and Wednesday in a bid enhance commuter convenience and ease congestion. There are around 4,000 daily Metro trips

### **AAP's Protest against BJP Over Paddy Lifting Delays; 6 Ministers Detained**

PNS CHANDIGARH

am Aadmi Party (AAP) on AWednesday launched a high-profile protest in Chandigarh against the Bharatiya Janata Party (BJP) condemning the Central Government's handling of paddy procurement and delayed grain lifting in Punjab's markets. The demonstration saw a massive turnout, with key AAP Ministers and hundreds of party supporters confronting the Chandigarh police action, demanding urgent action for Punjab's farmers.

The protest, led by prominent AAP leaders and Cabinet Ministers like Harjot Singh Bains, Harbhajan Singh ETO, Tarun Preet Singh Sondh, Lal Chand Kataruchakk, and others, attempted to gherao the BJP office in Chandigarh. However, the demonstrators were halted just 150 meters from their target, the Punjab BJP Office in Sector 38, near Batra Cinema, where police officers, after repeated warnings, deployed water cannons to disperse the crowd. The police also detained numerous party workers and six Ministers as tensions escalated.

During the scuffle, Minister Harjot Bains's turban was knocked off, a moment that stoked outrage among AAP supporters. Bains later addressed the crowd, voicing his sorrow over the incident, stating, "They could have attacked me, and it would have been less painful. But attacking my turban is a personal affront. We, the children of Guru Gobind Singh Ji, believe in both standing up to oppression and refusing to tolerate it."

The protest, AAP leaders argued, was a response to what they allege is the BJP Government's retaliatory approach toward Punjab's farmers, especially following the farmers' movement against the controversial agricultural laws. Bains condemned the Central Government's inaction, emphasizing the ongoing Diwali season, during which Punjab's farmers are struggling in over-crowded mandis. He stated, "It is deeply painful to see our farmers stranded in markets while the rest of the country celebrates

Minister Harbhajan Singh ETO echoed these sentiments, accusing the BJP of blocking the Chief Minister Bhagwant Mann to meet central ministers. However, no concrete action has yet been seen from New Delhi,

questioned the motives behind the BJP's actions. Minister Laljit Singh Bhullar remarked, "This treatment of Punjab is not new; it reminds us of the injustices under Indira Gandhi. Today, Narendra Modi's Government appears to be following a similar path." Bhullar further criticized the BJP for attempting to delay the financial and operational lifelines needed by Punjab's farmers, insinuating a political agenda behind the delay in crop lifting.

As the protest continued, Minister Tarun Preet Singh

handed approach of the Chandigarh police, stating, "This aggression against peaceful, unarmed protestors is an attack on our democratic rights. Who has ordered them to suppress our voices?" He suggested that the BJP's reluctance to address the issue is intentional, claiming, "If they truly cared, the crop lifting would have been completed by now.

AAP leaders insist that spite the Central despite Government's alleged indifference, the Punjab government remains committed to alleviating the situation for farmers, issuing payments within 24 hours and ensuring the smooth functioning of local markets. Chief Minister Bhagwant Mann is said to be closely monitoring mandi operations, addressing any logistical challenges that

AAP leaders have warned that if necessary, the protest will escalate to Delhi. Minister Harbhajan Singh ETO stated, "If the central government does not heed our warnings, we will intensify our demonstrations. We will go to Delhi and stand for our farmers' rights."

 $P_{\mbox{fight}}$  against drugs have resulted in the arrest of 10,524 drug smugglers and the attachment of Rs 208 crore worth of assets linked to narcotics trafficking since January 2024. The state Director General of Police (DGP) Gaurav Yadav on Friday reported these achievements, emphasizing the multilayered approach being employed to dismantle the drug trade across urban and rural Punjab.

DGP Yadav highlighted Punjab Police's intensified operations, which include sweeping cordon-and-search drives in affected regions, vig-

ilant checkpoints on high-risk routes, and a broad clampdown on drug distribution networks within towns and villages. He confirmed that 153 major smugglers, or "big fish", were among those apprehended, along with substantial seizures of contraband. This year alone, authorities have confiscated 790 kilograms of heroin, 860 kilograms of opium, and 367 quintals of poppy husk. Additionally, 93 kilograms of charas, 724 kilograms of ganja, 19 kilograms of ICE, and over 2.9 crore pharma opioid tablets and injections were recovered from various traffickers and networks.

Aiming to curb drug-related financial gains, Punjab Police has also frozen assets totaling Rs 208 crore, associated with 362 high-profile traffickers. The police force has initiated the seizure of assets worth an additional Rs 289 crore, with cases pending approval. Seized assets play a crucial role in debilitating drug lords' financial strength, effectively undercutting their influence.

One of the most significant recent arrests involves Avtar Singh, alias Tari, a notorious trafficker from Shahur Kalan village in Gurdaspur district. Singh was detained under the Prevention of Illicit Traffic in Narcotic Drugs Psychotropic Substances (PIT-NDPS) Act and has been sentenced to two years in Central Jail, Bathinda. This detention represents the first instance where preventive detention under Sections 3(1) and 10 of the PIT-NDPS Act has been enacted by Punjab authorities, marking a milestone in the state's anti-narcotics initiative.

The establishment of Punjab's specialized Anti-Narcotics Task Force (ANTF) has been pivotal in these efforts. Equipped with advanced facilities, the ANTF has played a vital role in tackling high-profile cases and assisting in the capture of numerous smugglers and proclaimed offenders. The ANTF has successfully arrested 731 proclaimed offenders and absconders in NDPS cases, reflecting the agency's resolve in locating and bringing to justice those evading law enforcement.

### S Korean military says the North appears poised to conduct nuclear, ICBM tests

South Korea's military intelligence agency told lawmakers Wednesday that North Korea has likely completed preparations for its seventh nuclear test and appears to be preparing to test a long-range missile capable of reaching the United States. In a closed-door hearing, the agency also said some advance units of North Korean troops sent to Russia may have arrived at battlefronts as the forces prepare to move to the Kursk region, where Russia has struggled to push back a Ukrainian incursion, according to two lawmakers

who attended the meeting. Earlier this month, South Korean President Yoon Suk Yeol told The Associated Press that he expects North Korea to stage major provocations like nuclear and intercontinental ballistic missile tests around the US election to dial up pressure on Washington and its allies. North Korean leader Kim Jong Un has also flaunted his military nuclear programme in recent months, testing various missile systems and disclosing a secretive facility for produc-

in September. The agency believes that North Korea has finished preparations to conduct a nuclear test at its testing ground in the northeastern town of Punggye-ri, with the detonation likely to be

carried out at tunnel No. 3, said Lee Seong-kweun, one of the lawmakers who attended the hearing. North Korea conducted its sixth and last nuclear test

The agency also said it's detecting signs, including the placement of launch vehicles, that the North is preparing to test launch an ICBM designed to reach the US mainland, said Lee and Park Sun-won, another lawmaker. The agency believes the ICBM test could take place sometime in November.

'We cannot specify the exact location but the transportererector launcher has been deployed at a certain area where it could be anticipated that an ICBM test aimed at verifying atmospheric re-entry technology could be conducted," Lee added.

All of North Korea's ICBM tests since 2017 have been conducted at a high angle to avoid the territory of neighbours. Experts have said the North may eventually seek to flight test its weapons at an angle closer to a normal ballistic trajectory to verify whether the warhead would survive the harsh conditions of atmospheric re-entry. Tensions on the Korean Peninsula have worsened since 2022 after Kim used Russia's invasion of Ukraine as a distraction to accelerate the growth of his nuclear weapons and missile programme.

N Korea's top diplomat in Moscow for talks on troop deployment

North Korea's top diplomat is set to hold talks in Moscow on Wednesday following reports that Pyongyang has sent thousands of troops to Russia to support its action in Ukraine.

Foreign Minister Choe Son Hui's arrival followed the Pentagon's statement that North Korea has deployed about 10,000 troops to Russia to fight against Ukraine within "the next several weeks."

Maj. Gen. Pat Ryder, the Pentagon press secretary, said Tuesday that a "relatively small number" of North Korean troops are now in the Kursk region, where Russia has struggled to push back a Ukrainian incursion, adding that it's yet to be seen how Moscow and Pyongyang will use them.

Western leaders have described the North Korean troop deployment as a significant escalation that could also jolt relations in the Indo-Pacific

agenda for Choe's talks in Moscow, but in a closed-door hearing at South Korea's parliament, the South's spy agency said Choe may be involved in high-level discussions on send ing additional troops to Russia and negotiating what the North would get in return.

South Korean and Western officials have voiced concern that Russia may offer technology that could advance the threat posed by North Korea's nuclear weapons and missile programme.

Moscow and Pyongyang have responded vaguely to South Korean and Western claims of the North Korean troop deployment to Russia, emphasising that their military coop eration conforms with international law, without directly admitting the presence of the North's forces in Russia.

The US and its allies also have accused North Korea of providing millions of artillery shells and other equipment to Russia to fuel its military action in

### Iran lifts its ban on imports of new iPhone

**▼**ranians will soon be able to get their hands on iPhones 14, 15 and 16 after authorities lifted a ban on new smartphone models by the US tech giant Apple, according to an announcement Wednesday. The ban on new iPhone models had been in place since 2023 but now, the country's telecommunications minister said authorities are allowing the registration of the new models. The minister, Satar Hashemi, said on X that the problem of registering new iPhone models on the Iranian market was "solved" and that Iran's President Masoud Pezeshkian backed the efforts of the communication ministry

toward that goal. Hashemi did not elaborate but said the import measures would be announced, soon.

Following the 2023 ban, iPhone 13 and older versions could still be imported amid high demand for an item that remains a status symbol for many young Iranians. While the ban was in place, any iPhone 14, 15 or a newer model

It was a sign of the economic woes plaguing Iran after decades of Western sanctions. Imports of iPhones have long

been a contentious point — gov ernment statistics suggest that about a third of Iran's entire USD 4.4 billion mobile phone import market consisted of iPhones before the ban. Iran's Supreme Leader Avatollah Ali Khamenei in 2020 pointedly criticised iPhone imports though he had previously slammed what he described as all American luxury goods. Fresh from his title in Basel, Mpetshi Perricard next plays Karen Khachanov and will look to add to his 512 aces.

Frenchman Arthur Fils also progressed by edging Croatian faces Jan-Lennard Struff. But veteran Richard Gasquet, who plans to retire after next year's French Open, lost 6-3, 6-4 to Zizou Bergs.

### Punjab FC, Chennaiyin FC clash following a string of good run

In-form sides Punjab FC and Chennaiyin FC will square off in the Indian Super League here on Thursday as the battle for playoffs spots heats up. Punjab FC are placed fourth in the table after as many matches while Chennaiyin FC are positioned sixth with two

They are arguably two definite contenders for the top-six and hence this fixture carries significance for both teams, giving them an opportunity to move up the standings and develop pressure on the higher-ranked opponents.

matches without finding the back of the net in the competition, which was a sequence of two clashes in December last year.

Given that they didn't score in the previous game, Punjab FC run the risk of equalling that record, something that they would want to avoid especially with the coming game taking place at their home turf. In their last home match, Punjab FC held their own

against the Hyderabad FC attackers by winning 2-0. Never before in the ISL have

Punjab FC managed to keep successive clean sheets at home though. They have a chance of scaling that feat against a dynamic Chennaiyin FC frontline that has netted eight goals in five games this season. Chennaiyin FC have put forth a unified front in ISL 2024-25, regularly dragging the team back from precarious positions

to achieve positive outcomes. For instance, they have won seven points from losing situations this season - the joint-most with Kerala Blasters

Contrastingly, Punjab FC have claimed no such points so far, highlighting the need of an early lead for the Marina Machans.

The Owen Coyle-coached side have also emerged as a force to reckon with on the road. They are unbeaten in their last three ISL away games - winning

twice and drawing once. The last time Chennaiyin FC registered a longer such streak was for five games from January-February Interestingly, they had made it all the way to the final that year, under the tutelage of Coyle. "We want to follow our style," Punjab FC head coach

expressed confidence by saying that he wants his team to take the lead in setting the tempo of the game regardless of the ideas and plans that Chennaiyin FC come up with. "The main topic before us this season is that we want to make the opponents follow our style of play. That's our biggest concern. Chennaiyin FC have

good players and a good style of play but we want to follow our style," Dilmperis added. Chennaiyin FC and Punjab FC have faced each other twice in the ISL, winning once each.

"I want us to believe we can win every game," Chennaiyin coach Coyle said.

"I want my players to believe that they can win every game. That won't be possible. But the intent should be there always and that's the kind of players like working with," Coyle

### Jürgen Klopp defends his decision to join Red Bull after fan backlash

**AP** ■ BERLIN

Türgen Klopp has defended his decision to head up Red Bull's group of soccer clubs, saying he "didn't want to step on anybody's toes" after his decision prompted a backlash from fans of his former teams

in Germany. Klopp is taking over as the drinks company's head of global soccer from January in what was widely seen as a surprise move. It will be his first job after leaving Liverpool at the end of last season

"I didn't want to step on anybody's toes, definitely not, and personally I love all of my ex-clubs," Klopp said in an interview released Wednesday on a podcast hosted by former Real Madrid and Germany midfielder Toni Kroos.

some fans.
"I really don't know what exactly I could have done for everyone to be happy," he said. Red Bull, and especially its Leipzig team, are widely resented by many German soccer fans, who see the drinks company as an unwelcome corporate

presence trying to buy success. Fans at Klopp's former clubs like Borussia Dortmund have criticized the move, and Mainz fans held up banners this month expressing their disappointment questioning whether he was

Klopp spent 18 years at Mainz as a player and coach before joining Dortmund in 2008, where he went on to lead the club to two Bundesliga titles and the Champions League

Klopp said he had never viewed Red Bull's involvement in soccer "so critically," and suggested it played an important role in bringing high-level club soccer back to the former East Germany with the Leipzig project.

Klopp previously said he planned to take a "long break" from soccer after leaving Liverpool, where he coached his last game in May after nine

years with the club. "I'm 57 so I can still work for a couple more years but I don't really see myself on the sideline (as a coach) for the time being," he said. "But it was always clear that I wasn't going to do nothing at all. And then this story with Red Bull came into the picture, and for

me it's outstanding." Klopp said he saw his Red Bull role primarily as an "adviser" working together with coaches at the clubs backed by the drinks giant. "I always had the feeling that the coach is very, very often the loneliest person at the club," he said.

## EASWARAN, NITISH REDDY, PRASIDH TO BE UNDER CLOSE SCRUTINY

PTI ■ MACKAY (AUSTRALIA)

The outings of Abhimanyu Easwaran, Nitish Kumar Reddy and Prasidh Krishna will be the primary focal points of India A's four-day match against their Australian counterparts, starting here on Thursday. Easwaran, Nitish and Prasidh have been included in India's

squad for the five-Test Border-Gavaskar Trophy series, beginning on November 22, and the thinktank will be eager to know how they fare in Australian conditions.

Easwaran's performance will, however, have far more significance as the 29-year-old opener could potentially Rohit Sharma's replacement if the captain skips a match or two against Australia for personal reasons.

Easwaran, who is also the vicecaptain of India A here, is a vastly experienced campaigner having played 99 First-Class matches to score 7638 runs with 27 hundreds and 29 fifties.

He has also been part of the India squad in the past but what inspires confidence is his recent form in First-Class matches.

The right-hander struck 157 and 116 for India B in the Duleep Trophy before making a 191 against Mumbai for Rest of India in the Irani Trophy and made another hundred in his final red-ball game before flying out to Australia - an unbeaten 127 against Uttar Pradesh in the Ranji Trophy. So, he has the body of work to feel in fine fettle ahead of the match against Australia A, though the conditions here will be vastly different from what he has experienced so far

this season in İndia. On the other hand, Nitish does not boast of such impressive First-Class numbers, as he has been drafted into squad for his perceived ability as a pacebowling all-rounder and, even in that, batting is his stronger

In the Duleep Trophy earlier this year, Nitish made two

ducks with a highest of 40 in five matches while grabbing iust two wickets.

But the selectors have backed him ahead of senior names such as Shardul Thakur, who has resumed playing domestic matches after recovering from

an injury.
So, this will be a good opportunity for the selectors to check how the Andhra man measures up to a very capable Australia A side that includes the likes of Camreon Bancroft, Marcus Harris, Michael Neser, Cooper Connolly and Scott

Prasidh is a late addition to the India A squad in place of initially picked up Yash Dayal, and the Karnataka pacer needs to find some rhythm here.
