US SUPREME COURT PAVES WAY FOR EXTRADITION OF 26/11 ATTACKS MASTERMIND RANA

T N RAGHUNATHA ■ MUMBAI

In a major development, the US Supreme Court has paved the way for Pakistani-Canadian national and 26/11 attacks case accused Tahawwur Hussain Rana's extradition to India where he will face trial in the Mumbai terror strikes case. The US apex court early this week dismissed Rana's review petition (writ of 'certiorari') filed on November 13, 2024 challenging his extradition to India. With the rejection of his petition, Rana has exhausted all his legal options to evade his extradition to India. Now, Rana's extradition to India has become imminent. In the past, Rana had lost similar pleas, both in US Court of Appeals in San Francisco and several federal courts, to be sent to India for prosecution of charges in the November 26-29, 2008 attacks case, in which 166 people were killed and 300 others injured. During the hearing in his latest plea in December 2024, the US Solicitor General

Elizabeth B. Prelogar had made a strong case for rejection of Rana's review petition on the ground that the Lashkar-E-Taiba (LeT) operative was not entitled for relief from extradition to India. A former medical officer in the Pakistani army, Rana had migrated to Canada in 1990 where he became a citizen before moving to Chicago. As per US law, if he is not extradited to India, he will be deported to his home country Canada after the completion of his prison term in 2027. Rana is currently lodged in a Los Angeles prison for his involvement in plotting a terror attack on the Danish newspaper Jyllands-Posten. Rana had contended that he was tried and acquitted by a federal court in Illinois (Chicago) on the charges pertaining to the 26/11 case, for which India sought his extradition. However, Prelogar had strongly opposed Rana's plea. Rana is accused of significant involvement in the 26/11 attacks case. Ajmal Kasab was among the ten Pakistani terrorists who had carried out brazen

attacks on Mumbai. While nine of the ten terrorists were killed by the security forces during the attack, the remaining one-Mohammed Ajmal Kasab - was caught alive by the police at Girgaum Chowpatty on the intervening night of November 26-27, 2008. After his conviction in the case, Kasab was hanged to death in the 26/11 attacks case in Pune's Yerwada central prison on November 21, 2012. Rana is one of the two masterminds who are yet to be brought to justice, while the other is Sayed Zabiuddin Ansari alias Abu Jundal, an Indian operative who worked for the Lashkar terror group. He was arrested in 2012 after being identified by Kasab and is currently behind the bars in Mumbai. Welcoming the impending extradition to India, senior advocate Ujjwal Nikam, who was the Special Public Prosecutor in the 26/11 attacks case, said: "This is major success for India because the Supreme Court of America has dismissed the review petition of Tahawwur Rana. Tahawwur Rana and David Headley are

the close links behind the terror attack of the 26/11 Mumbai attacks. By extraditing Tahawwur Rana, India will get more information and evidence of the involvement of some of the Pakistani people, including the Pakistan security apparatus. I am very optimistic that the extradition of Tahawwur Rana will give more evidence about the involvement of some of the security apparatus of Pakistan," Rana is a close aide of the Pakistani-American terrorist David Coleman Headley, who was also wanted by India for the 26/11 hit, carried out by 10 heavily armed Pakistan terrorists. In an amended criminal complaint in the Illinois court against Headley and his accomplice Tahawwur Hussain Rana, on October 21, 2009, the FBI had given details about the reconnaissance done by Headley in India and his links with Rahul Bhatt, whom he (Headley) had befriended during his trips to India. Bhatt and his fitness instructor friend Vilas Pandurang Varak had subsequently confirmed

having met Headley during his visits to India. It may be recalled that on September 26, 2023, the Mumbai crime branch sleuths had filed a 405-page supplementary charge-sheet against Canadian businessman of Pakistani origin Dr. Tahawwur Hussain Rana based on fresh evidence against him. Among other things, the supplementary charge-sheet had alleged that Rana had stayed in India for 11 days - from November 11, 2008 to November 22, 2008. Of these days, he spent two days in Mumbai, where he stayed at Hotel Renaissance at Powai. In its charge-sheet submitted before the trial court, the crime branch police had added Unlawful Activities (Prevention) Act (UAPA) section 39A (offence relating to support given to a terrorist organisation) against Rana in the case. "We have gathered some fresh evidence against Rana in the form of statements and documents," a senior crime branch officer said.

President Murmu bats ONOE

PIONEER NEWS SERVICE ■ NEW DELHI

President Droupadi Murmu on Saturday advocated for the "One Nation One Election" initiative, asserting it has the potential to redefine "good governance" in the country by promoting consistency in governance, preventing policy paralysis, mitigating resource diversion, and alleviating financial burdens on the state. In her address to the nation ahead of the 76th Republic Day, she emphasised the government's ongoing efforts to eliminate remnants of a colonial mindset that have lingered in the country for decades" and cited the replacement of the British-era criminal laws with three new modern laws. "We have been witnessing concerted efforts to change that mindset... Reforms of such magnitude require an audacity of vision," she said. Highlighting the significance of the proposed bill aimed at synchronising

election schedules across the country, Murmu noted, "The 'One Nation One Election' plan can offer numerous benefits, including enhanced governance and reduced financial strain." In discussing legal reforms, she pointed out the need to replace the Indian Penal Code, the Code of Criminal Procedure, and the Indian Evidence Act with new

laws reflective of Indian traditions. She mentioned the introduction of the Bharatiya Nyaya Sanhita, the Bharatiya Nagarik Suraksha Sanhita, and the Bharatiya Sakshya Adhinyam, which prioritise the delivery of justice over mere punishment and place a strong emphasis on addressing crimes against women and children. Reflecting on the significance of the Constitution, the President highlighted the progress achieved over the past 75 years. "At the time of Independence, many parts of the country faced extreme poverty and hunger. However, we maintained a belief in ourselves and created conditions for growth," she said. Noting the contributions of farmers and labourers, she said India's economy now plays a pivotal role in global economic trends, asserting that this transformation is rooted in the framework established by the Constitution.

Clean Yamana in three years, metro rides for youth and 50,000 jobs: BJP

SAUMYA SHUKLA ■ NEW DELHI

Union Home Minister Amit Shah on Saturday came bearing nine poll-promises for the people of the national Capital by releasing the third and the final part of Bharatiya Janata Party's (BJP) 'Sankalp Patra' including development of Yamuna river front, ownership rights for residents of unauthorised colonies, 50,000 government jobs, metro and bus rides available throughout the day and Rs 10 Lakh life insurance for gig workers for the upcoming Delhi assembly elections. Addressing a press conference, the senior BJP leader also launched an all out attack on AAP chief and former Chief Minister Arvind Kejriwal, asking him to take a dip in Mahakumbh in Uttar Pradesh to wash out his sins and called him the biggest liar he has ever seen in his political career. Releasing the manifesto titled 'Viksit Delhi Sankalp Patra

2025', Shah mocked the ruling party's seven-year-old promise to clean the Yamuna River and take a holy dip in it. "If Kejriwal cannot take a dip in the Yamuna, he should at least go to the Kumbh and wash away his sins. And he can come after three years and take a dip in the Yamuna river, with his family, that we will get cleaned," Shah remarked. He also said that while Kejriwal makes fake promises, Modi government delivers. Announcing the poll promises made in the third part of the manifesto, Amit Shah said, "Modi ji has announced the granting of ownership rights to more than 1,700 unauthorised colonies. Previously, these colonies did not have permission for construction, buying, or selling. Now, by granting them full ownership rights and aligning with the Ministry of Housing's regulations and Delhi's by-laws, we will give them the right to construct and sell."

Modi, Rahul features in AAP list of corrupt leaders

RAJESH KUMAR ■ NEW DELHI

Days after former Delhi Chief Minister Arvind Kejriwal said that he would not respond to Rahul Gandhi's attack on him, the Aam Aadmi Party on Saturday released a poster putting Congress MP Rahul Gandhi's name among a list of 11 "corrupt" people and claiming that the former Delhi Chief Minister will take on them. For the first time, Congress Leaders Rahul Gandhi, Ajay Maken and Sandeep Dikshit were featured prominently in the Arvind Kejriwal-led party's campaign poster. Besides Rahul, the poster also has images of Prime Minister Narendra Modi, Home Minister Amit Shah, Uttar Pradesh Chief Minister Yogi Adityanath, BJP leaders Virendra Sachdeva, Anurag Thakur, Parvesh Verma, Vijender Gupta and Ramesh Bidhuri and Congress Leaders Ajay Maken and Sandeep Dikshit. The poster with an image of security personnel making way for Kejriwal and his wife Sunitha has a tagline, "Kejriwal's honesty will be trouble for the corrupt."

The poster referred to Kejriwal as being "honest". "Kejriwal ki imandari sare beyimano par padegi bhari [Kejriwal's honesty will prevail over all the dishonest people]," reads the poster. However, the inclusion of Rahul Gandhi signalled that the gloves are off for AAP. The AAP and Congress

are part of opposition bloc 'INDIA', however, are not fighting the Delhi election together. While Congress leaders have attacked Kejriwal on the corruption front, Rahul has not referred to graft allegations against AAP though he had likened Kejriwal to Modi on "propaganda and false promises". Rahul had targeted Kejriwal on the issue of development over his governance track record, claiming that he cannot match the achievements of former Delhi Chief Minister and Congress leader Sheila Dikshit. Meanwhile Mahila Congress president Alka Lamba, who is contesting against Atishi from Kalkaji assembly seat hit out at Kejriwal after AAP in its poster labelled Congress leaders Rahul Gandhi, Sandeep Dikshit and Ajay Maken as "dishonest". "You (Arvind Kejriwal) insulted Sheila Dikshit and Manmohan Singh. Now, he says in the interview that Manmohan Singh was the most honest Prime Minister. He should apologise to Dr Singh's wife. You were begging Congress for an alliance. We made a huge mistake by allying with you on seven seats and supporting you during the Lok Sabha elections," Lamba said.

Icy winds from the North bring severe chill to Madhya Pradesh

STAFF REPORTER ■ BHOPAL
Madhya Pradesh is currently experiencing a sharp dip in temperatures due to icy winds coming from the north. On Friday, the day temperature in Bhopal decreased by 6.8 degrees, reaching 22.6 degree celsius. Similar drops were recorded in other cities like Indore, Ujjain, Gwalior, and Jabalpur. Khargone witnessed dense fog on Saturday, with visibility dropping to a mere 50 meters. The Meteorological Department has warned that this chilly weather is likely to continue for the next three days, with temperatures expected to drop further, particularly at night. The cold wave has been trig-

gered by a shift in wind patterns since Thursday night, with northern winds sweeping across the state. These winds, combined with a powerful jet stream blowing at high altitudes, have caused the mercury to fall. In Bhopal, the temperature reached a low of 22.6 degree celsius on Friday, while cities like Indore, Ujjain, and Gwalior also experienced a significant drop in day temperatures. The weather pattern is consistent across the state, with day temperatures falling noticeably in many districts, including those in Bhopal, Ujjain, Rewa, Jabalpur, and Sagar divisions. The chill is expected to worsen in the coming days. The night temperatures are also forecast to fall sharply, with several regions likely to

experience a further dip of up to 3 degree celsius by Saturday. The continuing influence of cold winds from the northern hills, where recent snowfall has intensified the chill, is contributing to this sharp decline in temperature. The minimum temperature in the state on Friday was recorded at 10 degree celsius in Mandla, and hill stations like Pachmarhi experienced temperatures hovering around 10.2 degree celsius. The severe cold is expected to persist for three to four more days, according to meteorologists. The temperature drop is especially significant in districts such as Bhopal, Ujjain, and Gwalior divisions, where both day and night temperatures have fallen appreciably.

Meanwhile, regions in Narmadapuram, Indore, and Rewa have experienced a rise in night temperatures. As the cold front intensifies, the situation may become harsher, with severe cold being felt throughout the state for the next few days. The weather will start to shift after January 29, when a new western disturbance is expected to arrive in the western Himalayan region, bringing some relief by raising temperatures. However, the respite may be short-lived, as the cold is expected to return once the system passes. This reflects that the state will continue to experience severe cold conditions in the near future, with the chilly spell set to impact daily life in many parts of the state.

R-Day Parade: India to display military might, cultural heritage

PIONEER NEWS SERVICE ■ NEW DELHI

India is set to showcase its military prowess and rich cultural heritage and display a symbolic confluence of 'virasat' and 'vikas' on Kartavya Path here to mark the 76th Republic Day on January 26 when the nation will also commemorate the platinum jubilee of the enactment of the Constitution.

Indonesian President Prabowo Subianto will be the chief guest on the occasion. A 352-member marching and band contingent from Indonesia will be participating in the parade.

Subianto will be the fourth Indonesian president to attend India's Republic Day celebrations. Sukarno, the first president of Indonesia, was the chief guest at India's first Republic Day celebrations in 1950.

While 75 years of the Constitution is the focus of celebrations this year, the theme for the tableaux is 'Swarnim Bharat: Virasat aur Vikas'. Sixteen tableaux from across states and Union Territories and 15 from central ministries, departments and organisations will roll down the ceremonial boulevard on Sunday.

The country will display its military prowess by showcasing some of the cutting-edge defence platforms including BrahMos, Pinaka and Akash, with the Army's Battle Surveillance System 'Sanjay' and DRDO's surface-to-surface tactical missile 'Pralay' set to register their presence in the ceremonial parade for the first time.

T-90 'Bhishma' tanks Sarath (infantry carrying vehicle BMP-II), Short Span Bridging System 10m, Nag Missile System, multi-barrel rocket launcher system 'Agnibaan' and 'Bajrang' (light specialist vehicle) will also be part of the parade, officials said on Thursday.

The parade will see many other firsts as well, such as the tri-services tableau that will depict the spirit of 'jointness' among the armed forces.

The tableau would display a battlefield scenario demonstrating a synchronised operation in land, water and air with the indigenous Arjun battle tank, Tejas fighter aircraft and advanced light helicopter, according to the Defence Ministry.

The theme of the tri-services tableau will be 'Shashakt aur Surakshit Bharat' (Strong and

Secure India). Besides, the DRDO will present a tableau with the theme 'Raksha Kavach' -- multi-layer protection against multi-domain threats, officials said. President Droupadi Murmu will deliver an address to the nation on the eve of the Republic Day.

This January 26 will carry extra significance as India's Constitution, which came into effect on this historic day in 1950, completes 75 years. The Constitution was adopted by the Constituent Assembly on November 26, 1949. Before the parade, Prime

Minister Narendra Modi will lead the nation in paying tribute to the country's martyrs by laying a wreath at the National War Memorial. The parade will begin in the morning with the National Salute and will continue for 90 minutes, reflecting the journey

of India's heritage and growth. C-130J Super Hercules, C-295, C-17 Globemaster, P-8I, MiG-29 and Su-30, among other aircraft, will also take part in the celebrations.

The ceremonial parade will be heralded by 300 cultural artistes playing 'Sare Jahan Se Achha' on

musical instruments representing different parts of the country, according to the Defence Ministry.

Lt Gen Bhavnish Kumar, General Officer Commanding, Delhi Area will be the Parade Commander, while Parade Second-in-Command will be Chief of Staff (COS), Delhi Area, Maj Gen Sumit Mehta. Maj Gen Mehta said the event will showcase India's military prowess with a number of cutting-edge platforms and a range of vibrant tableaux depicting the country's heritage.

Two Param Vir Chakra awardees -- both Kargil war heroes -- and one Ashok Chakra awardee will be part of the parade, he said.

The flypast will feature 40 Indian Air Force aircraft and three Dornier aircraft of the Indian Coast Guard.

The Indian Army will be represented by a mounted column, eight mechanised columns, and six marching contingents, officials said. The column will be represented by the 61 Cavalry. The marching columns will consist of contingents from the Brigade of the Guards contingent, Jat Regiment, Garhwal Rifles Regiment, J&K Light

Infantry (JAKLI) regiment and a contingent of the Corps of Engineers.

Capt Ritika Khareta will be the contingent commander of a marching contingent of the Army's Corps of Signals. The officer is the only woman member of her contingent and the rest are men.

There will also be a motorcycle display by daredevils of the Corps of Signals. Capt Ashish Rana will be its leader and Capt Dimple Singh Bhati, the second in line.

"I will be riding a ladder on a motorcycle and give a salute to the president during the parade," Bhati said soon after the full dress rehearsal on January 23. Capt Rana said Capt Bhati would become the "first woman officer" from the Army to give the ladder-borne salute to the president in the history of Republic Day celebrations.

States that will display their tableaux during the 76th Republic Day Parade include Uttar Pradesh, Uttarakhand, Haryana, Bihar, Jharkhand, Gujarat, Tripura, Andhra Pradesh, Karnataka, and Delhi and Chandigarh will showcase them among the Union Territories.

CCPA imposes ₹3 Lakh penalty on Vision IAS for misleading UPSC exam advertisements

STAFF REPORTER ■ NEW DELHI

The Central Consumer Protection Authority (CCPA) has imposed a penalty of Rs 3 lakh on Vision IAS for deceptive advertising about its students' success in the civil services examination. The authority found that Vision IAS deliberately withheld specific course information, creating a misleading impression about its success rates in such exams, a statement by Ministry of Consumer Affairs, Food & Public Distribution said. The institute's advertisement claimed "10 in Top 10 selections in CSE 2020 from various programs of Vision IAS" and prominently displayed successful candidates and pictures. Vision IAS mentioned the course opted by AIR 1-UPSC CSE 2020 i.e. GS Foundation Batch Classroom Student but

deliberately concealed information regarding the courses chosen by the other nine successful candidates. This concealment created misleading impression that the remaining nine candidates were also enrolled in the 'GS Foundation Batch Classroom Student' course which was not

true. Out of remaining 9 candidates- 1 took foundation courses, 6 took test series related to Pre and Mains stage and 2 took Abhyaas test. Further, CCPA examined the digital profiles and fee receipts submitted by Vision IAS and discovered that the Foundation course is the most expensive,

costing ₹1,40,000/-, whereas the Abhyaas one-time prelims mock test costs only Rs 750. As per the available information, Rank 1 enrolled in the Foundation Course 2018 (Classroom/Offline), and Rank 8 enrolled in the Online Foundation Course 2015 of the Institute. CCPA found that Rank 2, Rank 3, Rank 5, Rank 7, Rank 8, and Rank 10 of UPSC CSE 2020 enrolled in the GS Mains Test Series. This comes into play in Mains examination i.e. after clearing prelims examination which is a screening test wherein approximately only 1% students able to clear the said stage, making it the toughest stage with the most competition.

The above-mentioned students took GS Mains test series which is one of the various components of the Mains examination which implies that the afore-

mentioned candidates cleared the prelims and Interview stages on their own, without any contribution of opposite party. Additionally, Rank 4 and Rank 9 of UPSC CSE 2020 enrolled in Abhyaas test, a mock test for the Prelims exam. Rank 6 enrolled in the GS Prelims Test Series. This implies that the above-mentioned candidates cleared the Mains and Interview stages on their own, without any contribution of opposite party. By deliberately concealing about the specific course opted by each of the successful candidates, the Vision IAS made it look like all the courses offered by it had the same success rate for the consumers, which was not right. These facts are important for the potential students to decide on the courses that may be suitable for them and should not have been concealed in the advertisement. CCPA has observed

that several coaching institutes use the same successful candidate's names and photographs in their advertisements while deliberately concealing important information about specific course opted by them to create a deception that the successful candidates were regular classroom students at coaching institute or were students of several courses offered in the advertisement.

The commission imposed a penalty to protect 'young and impressionable aspirants' from potentially deceptive marketing practices, the statement said. The CCPA has so far issued 46 notices to various coaching institutes for misleading advertisements and unfair trade practice. It has imposed a penalty of Rs 74.60 lakh on 23 coaching institutes and directed them to discontinue the misleading advertisements.

The NHRC has admitted a petition filed by a Jammu-based RTI activist over the mysterious deaths of 17 people from three Scheduled Tribe families in a remote village in Jammu and Kashmir's Rajouri district during the past one-and-a-half months.

In his petition to the National Human Rights Commission (NHRC), Raman Sharma sought the statutory body's intervention to ensure "justice, relief and proactive measures to safeguard the rights and dignity of citizens in vulnerable areas". 17 people, including 13 children, died under mysterious circumstances in Badhaal village

between December 7 and January 19. The patients complained of fever, pain, intense sweating, nausea and loss of consciousness before dying within days of their admission to hospitals. Congress slams Election Commission on National voters' day, alleging erosion of institutional integrity

PIONEER NEWS SERVICE ■ NEW DELHI

Congress on Saturday hit out at the Election Commission on Saturday, saying the "self-congratulation" on National Voters' Day would not obscure the fact that the poll panel as it has been functioning makes a "mockery" of the Constitution and is an insult to the voters themselves.

The opposition party also alleged that over the past decade, the professionalism and independence of the Election Commission has been "severely compromised" by the duo of Prime Minister Narendra Modi and Home Minister Amit Shah. In a social media post, Congress president Mallikarjun Kharge said, "Even as we celebrate National Voters' Day, the cease-

less erosion of the institutional integrity of the Election Commission of India, in the last ten years, is a matter of grave national concern." "Our Election Commission of India and our Parliamentary Democracy, despite widespread doubts, over the decades, turned out to be impartial, independent and ideal to emulate globally," he said. The realisation of universal adult suffrage, extending to

the grassroots levels of panchayat and urban local bodies embodies the vision of our founders, he said. "However, complacency in upholding democratic processes can inadvertently pave the way for authoritarianism. Therefore, safeguarding the independence of our institutions is essential to preserve our democracy and uphold the constitutional principles that underpin it," Kharge said.

The National Voters' Day has been celebrated for the past 15 years to mark the inception of the Election Commission (EC) on January 25, 1950, a day before India became a republic. Congress general secretary in-charge communications Jairam Ramesh said, "There will be a lot of self-congratulation today but that will not obscure the fact that the Election Commission as it

has been functioning makes a mockery of the Constitution and is an insult to the voters themselves."

"Today has been celebrated as National Voters Day since 2011 to mark the day on which the Election Commission came into being 75 years ago on Jan 25th, 1950," he noted. The Election Commission is a Constitutional body and its first Chairman was the legendary Sukumar Sen whose role in establishing the foundations of our electoral democracy was crucial, Ramesh said. "He was the sole Chief Election Commissioner for eight years. His Report on the First General Elections in India 1951-52 is a classic. But the preparations of the draft electoral roll for the first elections had been completed before Sen took over," he said.

First Constitution of Akhand Hindu Rashtra to be unveiled at Maha Kumbh

BISWAJEET BANERJEE ■
MAHAKUMBH NAGAR

The first constitution of the proposed Akhand Hindu Rashtra has been finalized and is set to be unveiled on the auspicious occasion of Vasant Panchami on February 3 during the Maha Kumbh. The 501-page document has been crafted over 12 months and 12 days by a committee of 25 scholars from North and South India. Drawing inspiration from Ram Rajya, the kingdom of Lord Krishna, Manusmriti, and Chanakya's Arthashastra, the constitution is envisioned as a blueprint for a Hindu Rashtra. Once approved by the four Shankaracharyas, it will be presented to the central government. The drafting committee includes experts from Banaras Hindu University, Sampurnanand Sanskrit University, and Central Sanskrit University. According to Swami Anand Swaroop Maharaj, the head of Shambhavi Peeth and patron of the committee, the constitution aims to establish a Hindu Rashtra by 2035. He emphasized that the proposed nation would be a republic founded on the principles of Vasudhaiva

Kutumbakam (the world is one family) and Sarve Bhavantu Sukhinah (may all be happy). While elections will determine the nation's leader, the constitution assures that followers of all religions will have the right to live in the country. However, strict measures will be enforced against those involved in anti-national activities.

The draft proposes a unicameral legislature called the Hindu Dharma Parliament, comprising 543 members elected as Dharma MPs. Only followers of Sanatan Dharma and Indian-origin faiths such as Jainism, Buddhism, and Sikhism will be eligible to vote or contest elections. The voting age is set at 16 years, while candidates must be at least 25 years old and graduates of Vedic Gurukuls. Dharma MPs will receive only basic allowances, such as constituency funding, transportation, and security. They will also be required to submit regular progress reports. Dissatisfied constituents can recall their representatives by filing a no-confidence motion with a minimum of 50,000 signatures. The president of the Hindu Rashtra will be selected by a two-thirds majority of the Dharma Parliament. To qualify, candidates must have expertise in Dharmashastra and Rajashastra, along with five years of practical governance experience. They must also demonstrate leadership skills, knowledge of statecraft, and proficiency in the use of arms. During times of war, the president will lead the armed forces.

Seeking freedom from abuse, two UP women defy norms and marry each other

BISWAJEET BANERJEE ■
GORAKHPUR

In a courageous act of defiance, two women from Gorakhpur, tired of enduring years of domestic violence from their alcoholic husbands, left their abusive homes behind to marry each other. Kavita and Gunja, also known as Bablu, tied the knot at the Shiva Temple, commonly referred to as Choti Kashi, in Deoria on Thursday evening. The duo, who bonded over shared experiences of physical and emotional abuse, connected via social media and grew close as they offered each other solace. Over time, their relationship blossomed into a source of strength, culminating in their decision to embark on a life together, free from violence. During the simple yet symbolic ceremony, Gunja assumed the role of the groom, performing the traditional Hindu rituals of applying sindoor (vermillion), exchanging garlands, and taking the seven pheras. Kavita, standing resolutely by her side, embraced this new beginning as they vowed to build a peaceful life together. "Our husbands' drinking and abusive behavior left us with no choice but to take control of our lives," Gunja shared after the ceremony. "We decided to leave behind the pain and focus on a future built on love and mutual respect. We plan to settle in Gorakhpur and work to sustain ourselves." The temple priest, Uma Shankar Pandey, who facilitated the ceremony,

described the event as quiet yet significant. "They came, performed their rituals with garlands and sindoor, and left. It was a poignant moment that reflects their determination to escape their pasts," he remarked. Their story has drawn attention to the pervasive issue of domestic violence, which often remains hidden due to fear, stigma, and societal pressures. Lenin Raghuvanshi, a leading human rights activist, lauded their courage. "This act is not just a rejection of abuse; it's a powerful statement against the systemic oppression women face. It underscores the urgent need to address domestic violence and ensure women's safety at home," he said. Experts point out that domestic violence, often fueled by alcoholism, remains a widespread issue in India. Many victims endure years of abuse due to financial dependency and lack of support. Social worker Shabnam Mishra highlighted the broader implications of Kavita and Gunja's decision: "Their story is a testament to how women can reclaim their agency and inspire others to break free from abusive cycles." As Kavita and Gunja embark on this bold new journey, their act of resistance serves as a beacon of hope for countless others trapped in similar circumstances. Their story is not just about personal liberation but a reminder of the need for systemic change to address the scourge of domestic violence.

The Vishisht BTC Shikshak Welfare Association has requested the Uttar Pradesh government to declare public holidays on the dates of the Shahi Snan during the ongoing Maha Kumbh. In a letter to Chief Minister Yogi Adityanath, the association has sought three days of public holidays for all state employees and teachers to allow them to participate in the holy bath and religious rituals with their families. Santosh Tiwari, the provincial president of the association, and Dilip Chauhan, state secretary of the joint forum, emphasized

the rarity of this Maha Kumbh, which occurs after 144 years. They stated that it is a once-in-a-lifetime opportunity for many, as future generations might not witness such an event. The association has urged the state government to consider their demand positively, allowing people to partake in this historic event. Provincial media in-charge Vineet Singh specifically

requested public holidays on significant bathing dates such as Mauni Amavasya, Basant Panchami, and Maghi Purnima so that everyone can take a holy dip at the Maha Kumbh. Demand to Merge DA with Salaries Raised to PM The Indian Public Service Employees Federation (IPSEF) has written to Prime Minister Narendra Modi, urging him to announce the merging of 50% dearness allowance (DA) with salaries, as was practiced earlier. IPSEF's national president, VP Mishra, highlighted that when DA exceeds 50% of the salary, it is traditionally merged with the base salary, a practice upheld by all past pay commissions.

Not only devotees, Maha Kumbh witnesses surge in beggars, many feigning wounds for sympathy

BISWAJEET BANERJEE ■
MAHAKUMBH NAGAR

The Maha Kumbh Mela in Prayagraj is not just a spiritual event for millions of pilgrims but also a magnet for thousands of beggars, many employing creative or deceitful tactics to evoke sympathy and collect alms. At Sangam Ghat, a woman sat near the water's edge, writhing in apparent pain while displaying a deep wound on her hand. With a plate placed before her, she repeatedly raised her injured hand, attracting a steady stream of coins, notes, and even grains from pilgrims. By evening, she packed her grains into a sack with the help of a man and quietly disappeared, her tactics carefully crafted to draw the maximum charity from those moved by the spirit of giving. Pilgrims, however, seem unfazed by the questionable authenticity of such wounds. "When you come to the Kumbh, giving alms is part of the faith," said Shyam Sundar Yadav, a farmer from Hardoi. "Whether the wounds are fake or real is not my concern. My dharma is to give." **A Surge in Beggars from Across India**

Before the event began, authorities estimated around 7,000 beggars in Prayagraj. Now, their numbers have ballooned to over 50,000 as pilgrims from districts like Pratapgarh, Mirzapur, Chitrakoot, Varanasi, and Kaushambi, as well as states like Bihar, Jharkhand, West Bengal, and Madhya Pradesh, flock to the Kumbh. For many, the event represents a rare opportunity to collect alms on a scale impossible elsewhere. "Beggars are a natural part of religious events like this," said Meera Devi, a teacher from Kanpur. "For us, donating to them is a way to earn good karma. If they are lying or deceiving, it is on them, not us." The Mela's prime begging spots include Sangam Ghat, Akshay Vat, Akharas, and the Reclining Hanuman Temple. In these areas, beggars position themselves strategically, occupying fixed spots that they return to daily. At Sangam Nose, where devotees gather for holy dips, over 100 beggars line up to solicit alms. Many display gruesome injuries-often fake. According to locals, these injuries are often crafted using animal fat and other materials to maintain the appearance of

fresh wounds while keeping flies at bay. Pain-relief balms are sometimes applied to create an impression of genuine suffering. These "wounds" are refreshed daily, and the illusion is enough to convince most devotees. Adding to the spectacle are children dressed as deities, drawing particular attention from pilgrims. Eight-year-old Arti (name changed), dressed as Radha near the Hanuman Temple, shared her story. "It takes me an hour to get ready," she said, smiling. "Mummy also dresses like me and does the same work. Yesterday, I earned ₹500." Sushma and her family arrived from Koraon in Prayagraj a week ago, capitalizing on the massive influx of pilgrims. Such stories are common in areas like Sector 20, where thousands of beggars, including children, line the streets. A boy from Jamalpur in Jaunpur revealed that nearly 500 people from his village alone had come to beg at the Kumbh. For some pilgrims, these children are difficult to ignore. "When a child dressed as Radha or Krishna asks for alms, how can you say no?" asked Sunita Verma, a homemaker from Agra. "It feels like giving to God directly."

Situation The administration has been trying to tackle the surge in beggars. Vehicles frequently patrol key areas, picking up beggars and transporting them to shelters or hospitals. "Every night, the police come and take many of us away," said Sandeep, a disabled beggar near the Hanuman Temple. "But we always return the next day." Vinay Kumar, a senior official overseeing operations, said, "We try to document every beggar we pick up and encourage them to return home, but they keep coming back. The tradition of charity during Kumbh is too strong, and they know they will get alms here." Despite these efforts, beggars persist. Many see the Mela as their best chance to make a living, even if it means enduring repeated evictions. The practice of giving alms during religious events like the Kumbh is deeply ingrained in Indian culture. "Charity during such occasions is an age-old tradition," explained Dr. Dhyananjay Chopra, a professor at Allahabad University and an expert on the Maha Kumbh. "Bathing, meditation, and donation form the triad of spiritual practices at the Kumbh. This attracts not only genuine beggars but also those who exploit the generosity of devotees." For pilgrims like Ram Narayan Singh, a retired school principal from Ghazipur, the authenticity of beggars is irrelevant. "This is my way of connecting with God," he said. "I don't care if the person is genuinely needy or pretending. My act of giving is what matters." **Faith, Generosity, and Deception** The Maha Kumbh, a grand spectacle of faith, charity, and devotion, also reveals the complex interplay between spirituality and exploitation. While some beggars genuinely struggle to survive, the prevalence of deceitful tactics raises questions about the morality of exploiting faith. Yet for most devotees, the act of giving remains sacred, a way to fulfill their spiritual duties and earn divine blessings. As the Kumbh continues, the presence of beggars-both genuine and feigned-serves as a stark reminder of the enduring power of faith and the many ways it can be interpreted, celebrated, and, at times, manipulated.

Jammu and Kashmir police officers honoured for foiling Amarnath yatra terror attack

PIONEER NEWS SERVICE ■
JAMMU

Seven of the 15 Jammu and Kashmir Police officers, including former Kashmir Zone inspector general of police Vijay Kumar, awarded gallantry medals on the eve of Republic Day, played a key role in averting a possible terror attack on the Amarnath Yatra three years ago. The Medal for Gallantry recipients also included Humayun Bhat, a deputy superintendent of police who was one of four officers to lay down their lives

during an encounter with terrorists in south Kashmir's

Kokernag in September 2023. Bhat had been honoured with the Kirti Chakra for extraordinary bravery on the eve of last year's Independence Day. In addition to the 15 gallantry medals, Anand Jain and Nitish Kumar -- two additional directors general of police-rank officers -- received the President's Medal for Distinguished Service while 10 other officers were awarded the Medal for Meritorious Service. During his tenure in

Kashmir as inspector general of police, Kumar generated an input that a group of terrorists were planning to carry out an attack on the annual Amarnath Yatra in June 2022, the officials said on Saturday. On June 14, a small police party headed by Rakesh Balwal, the-then Srinagar senior superintendent of police, under Kumar's supervision, stopped a vehicle at Bemina on the outskirts of the city, leading to an encounter. The officials said two hardcore

terrorists, including a Pakistani, were eliminated during the operation that was conducted without the assistance of the Army, the Central Reserve Police Force, and intelligence agencies. Kumar, who was later promoted to additional director general of police and recently transferred to the AGMUT (Arunachal Pradesh-Goa-Mizoram and Union Territory) cadre's Delhi segment, Balwal and five other police personnel, received the gallantry medal for their bravery.

Kumar, a standout officer whose service record includes a unique combination of expertise in anti-terrorist, anti-Maoist and law-and-order operations within and outside Jammu and Kashmir, has played a significant role in the fight to counter terror threats and maintain peace post the abrogation of Article 370 in August 2019. Jammu and Kashmir Lieutenant Governor Manoj Sinha congratulated the officers on their achievement.

"Congratulations to police personnel and officers who have been conferred with the Medal for Gallantry, President's Medal for Distinguished Service and Medal for Meritorious Service on the occasion of Republic Day 2025," Sinha said in a post on X. He also paid tribute to selection-grade fireman Satish Kumar Raina, who was posthumously conferred with the Medal for Gallantry for sacrificing his life while performing his duties during a fire incident in Jammu's Prem Nagar area.

YSRCP leader V Vijayasai Reddy resigns as RS member

PIONEER NEWS SERVICE ■
NEW DELHI

YSRCP leader V Vijayasai Reddy on Saturday resigned as a member of Rajya Sabha and announced he was quitting politics due to "personal reasons", the fourth party MP to short-terminate their terms in the Upper House since its rout in the 2024 Assembly elections. He met Vice President Jagdeep Dhankhar at his residence and submitted his resignation.

Reddy, a chartered accountant by profession who represented Andhra Pradesh in the House, later told reporters he still had three-and-half-years left in his second six-year term, but he was resigning due to personal reasons. He said he would be focussing on agriculture and delivering guest lectures at universities henceforth. "I have submitted my resignation to the vice president and the chairman of the Rajya Sabha, and he has accepted it,"

Reddy told reporters after meeting Dhankhar. "I, hereby, voluntarily resign from my seat in the Rajya Sabha with immediate effect as a member representing Andhra Pradesh from the Yuvajana Sramika Rythu Congress party (YSRCP). Requesting you to kindly accept my resignation," his short resignation letter to the VP stated. In a post on X, Reddy also shared pictures of his meeting with the vice president "Today, I

submitted my resignation to the Hon'ble Vice President Shri Jagdeep Dhankhar Ji. Hon'ble Chairman of Rajya Sabha is pleased to accept the resignation with immediate effect duly recording the proceedings," he posted. Reddy said that before accepting his resignation, the vice president asked him specifically what are the reasons he was submitting his papers, and if it was voluntary or is there any coercion or undue influence.

AP CM Chandrababu Naidu defends Davos Visit to WEF

PIONEER NEWS SERVICE ■
AMARAVATI

Andhra Pradesh Chief Minister N Chandrababu Naidu said on Saturday a visit to the World Economic Forum (WEF) in Davos, Switzerland, is not just about inking agreements but networking with influential people to gain insights into the direction the world is headed. Addressing a press conference on his recent

visit to Davos, the Chief Minister brushed aside criticism from some quarters, including YSRCP, that the high-level delegation led by him returned empty-handed and focused solely on Naidu's self-promotion, while other states managed to forge deals. "Davos is a place for networking. The whole world goes there for four days. Country heads and

ministers attend. Not only governments, but all corporations will be there," said the CM, adding that there is a myth about Davos, where people only consider the number of Memoranda of Understanding (MoUs) signed and the amount of money flowing in the form of investments. According to Naidu, the WEF in the Swiss resort town of Davos brings

together the best minds for knowledge enhancement and learning the latest trends. The TDP supremo asserted that he spoke to several key people during the summit, including Microsoft founder Bill Gates, and observed that meeting all of them in their home countries would be a herculean task, involving visas, appointments, and several other challenges.

Palestinians prisoners released in ceasefire deal arrive in West Bank

PTI TEL AVIV

Thousands of Palestinians in the West Bank city of Ramallah celebrated the arrival of buses carrying dozens of prisoners released as part of the Israel-Hamas ceasefire. Israel said it released a total of 200 prisoners after Hamas freed four young, female Israeli soldiers.

The prisoners include 120 who were serving life sentences after being convicted of deadly attacks on Israelis. Around 70 were released into Egypt. Hamas militants handed over four captive female Israeli soldiers to the Red Cross in Gaza City on Saturday after parading them in front of a crowd. Israel followed with the release of 200 Palestinian prisoners or detainees as part of the fragile ceasefire in the Gaza Strip.

The four Israeli soldiers smiled broadly as they waved and gave the thumbs-up from a stage in Gaza City's Palestine Square, militants on either side of them and a crowd of thousands watching before they were led off to waiting Red Cross vehicles.

They were likely acting under duress, with previously released hostages saying they were held in brutal conditions and forced to record propaganda videos. Israel's Prison Service later said it had completed the release of 200 Palestinians. They include 120 who had been serving life sentences after being convicted of deadly attacks against Israelis. Around 70 were

released into Egypt, according to Egypt's state-run Qahera TV. Egypt had served as a key mediator in the talks that led to the truce.

Later, buses carrying the remainder of the 200 Palestinian prisoners being released made their way from Ofer prison in the occupied West Bank toward Jerusalem and the city of Ramallah, where crowds of relatives and supporters awaited.

As the four Israeli soldiers were released, hundreds of people cheered in Tel Aviv's Hostages Square where they were watching the drama unfold on a big screen television. "I'm speechless," said Aviv Bercoch, one of the onlook-

ers. "I had goosebumps watching them. I just want the war to end." Prime Minister Benjamin Netanyahu's office later released a video showing the freed hostages being welcomed at an Israeli army base. One of them, Liri Albag, smiled, gave two thumbs up and made a heart shape with her hand before getting into a van.

Israel insists on the release of a civilian hostage: Netanyahu's office later said that Arbel Yehoud, a civilian hostage held by Hamas, was supposed to have been released on Saturday. It said Israel would not allow Palestinians to begin returning to northern Gaza, which had been expected to begin by Sunday, until she is freed. A senior Hamas official said the group has informed mediators that Yehoud will be released next week.

Meantime, an Egyptian official involved in the negotiations called the matter a "minor issue" that mediators are working to resolve. Both officials spoke on condition of anonymity because they were not authorised to discuss the matter publicly.

The crowds in Tel Aviv and also in Gaza City began gathering early in the day in anticipation of the second such exchange between Israel and Hamas since a ceasefire began in the Gaza Strip last weekend. The excitement in Israel was palpable, with TV stations filled with live reports from smiling news anchors and reporters interviewing ecstatic friends and relatives of the hostages.

The truce is aimed at winding down the deadliest and most destructive war ever fought between Israel and the militant group. The fragile deal has so far held, quieting airstrikes and rockets and allowing for increased aid to flow into the tiny coastal territory.

When the ceasefire started on Sunday, three hostages held by the militants were released in exchange for 90 Palestinian prisoners, all women and children.

Who are the soldiers and prisoners being released? The four Israeli soldiers, Karina Ariev, 20, Daniella Gilboa, 20, Naama Levy, 20, and Albag, 19, were captured in Hamas' October 7, 2023, attack that ignited the war.

In exchange, Israel agreed to release 200 prisoners, including 121 who were serving life sentences, according to a list released by Hamas.

The more notorious militants being released include Mohammad Odeh, 52, and Wael Qassim, 54, both from east Jerusalem. They were accused of carrying out a series of deadly Hamas attacks against Israelis, including a bombing at a cafeteria at the Hebrew University of Jerusalem in 2002 that killed nine people, including five US citizens.

Getting hard criminals out: Trump

PTI WASHINGTON

Within just a little over four days after Donald Trump took over as the 47th President of the United States, the country has begun deportation flights for illegal immigrants using military aircraft.

Mass deportation of illegal immigrants has been one of the major poll promises of the Trump campaign. As part of it, Trump has also signed an executive order declaring that future children born to undocumented immigrants would no longer be treated as citizens. The Department of Defense said two of its aircraft conducted repatriation flights from the US to Guatemala. White House Press Secretary Karoline Leavitt later told reporters that Trump's border policies have already led to the arrest of 538 illegal immigrants and deportation flights using military aircraft, the first since President Dwight Eisenhower, have begun. "Deportation flights have begun. President Trump is sending a strong and clear message to the entire world: if you illegally enter the United States of America, you will face severe consequences," she wrote on X. Talking to reporters in North Carolina, President Trump said, "Deportation is going very well. We're getting the bad, hard criminals out. These are murderers. These are people that have been as bad as you get, as bad as anybody you've seen. We're taking them out first."

One woman killed as apartment building collapses in Turkey

Istanbul (PTI): Rescuers pulled the body of a 23-year-old woman from under a collapsed apartment building in central Turkey on Saturday, state-run media said, as efforts continued to find a final person, believed to be her husband. Three others were retrieved from the wreckage and being treated in a hospital, Anadolu Agency reported. The collapse comes amid renewed focus on building safety following the deaths of 78 people in a fire on Tuesday that ripped through a 12-story hotel at a ski resort in northwestern Turkey. Investigators are examining whether proper fire prevention measures were in place. Interior Minister Ali Yerlikaya said on Saturday that 79 people were registered as living in the four-story apartment block in the city of Konya, some 260 kilometers (160 miles) south of the capital Ankara. Earlier, Yerlikaya said the last two people remaining under the debris were Syrian nationals. He added that the cause of the building collapse was not immediately known. "If there is a fault, negligence or anything else, we will learn it together," he told journalists. TV images showed emergency workers sifting through a large pile of rubble Saturday morning following the building's collapse Friday evening. Anadolu Agency reported that four people were detained as part of the investigation. The second anniversary of an earthquake that hit southern Turkey and north Syria, killing more than 59,000, is just two weeks away. The high death toll at the time was due in part to building safety regulations being ignored. In 2004, a 12-story apartment building collapsed in Konya, claiming the lives of 92 people and injuring some 30 others. Structural flaws and negligence were blamed for the collapse.

Australian Open: Keys upsets Sabalenka in women's final for first Grand Slam title

PTI ■ MELBOURNE
Madison Keys of the United States upset two-time defending champion Aryna Sabalenka of Belarus 6-3, 2-6, 7-5 in the Australian Open final on Saturday night to collect her first Grand Slam title at age 29. By adding this win over the No. 1-ranked Sabalenka to an elimination of No. 2 Iga Swiatek in the semifinals on Thursday — saving a match point along the way — Keys is the first woman since Serena Williams in 2005 to defeat both of the WTA's top two players at Melbourne Park. Keys, ranked 14th and seeded 19th, was playing in her second major final after being the runner-up at the 2017 U.S. Open. She prevented Sabalenka from earning what would have been her third women's trophy in a row at the Australian Open — something last accomplished by Martina Hingis from 1997-

99 — and her fourth major title overall. When it ended, Keys covered her face with her hands, then raised her arms. Soon, she was hugging her husband, Bjorn Fratangelo — who has been her coach since 2023 — and other members of her team, before sitting on her sideline bench and laughing. Sabalenka chucked her racket afterward, then covered her head with a white towel. The men's final is Sunday, with defending champion Jannik Sinner against Alexander Zverev. Sinner is seeded No. 1, Zverev No. 2. Sinner eliminated American Ben Shelton in the semifinals, while Zverev advanced when 24-time Grand Slam champion Novak Djokovic stopped playing because of an injury. Keys is the oldest woman to become a first-time major champion since Flavia Pennetta was 33 at the 2015 U.S. Open. This was the 46th Slam appearance for Keys,

which ranks as the third-most major tournaments before winning a trophy in the Open era, behind only Pennetta's 49 and Marion Bartoli's 47 when she won Wimbledon in 2013. It was the more accomplished Sabalenka who was shakier at the outset. Keys broke three times in the first set, helped in part by Sabalenka's four double-faults and 13 total

unforced errors. Don't for a moment think this was merely an instance of Sabalenka being her own undoing. Keys certainly had a lot to do with the way things were going, too. She compiled an 11-4 edge in winners in that first set, managing to out-hit the big-hitting Sabalenka repeatedly from the baseline. For a stretch, it seemed as though every shot off the strings of Keys' racket — the one she switched to ahead of this season to protect her oft-injured right shoulder and to make it easier to control her considerable power — was landing precisely where she wanted. Near a corner. On a line. Out of Sabalenka's reach. Also important was the way Keys, whose left thigh was taped for the match, covered every part of the court, racing to get to balls and send them back over the net with intent. On one terrific defensive

sequence, she sprinted for a forehand that drew a forehand into the net from Sabalenka, capping a break for a 4-1 lead. Never one to hide her emotions during a match, Sabalenka frequently displayed frustration while trailing on the scoreboard, kicking a ball after netting a volley, dropping her racket after missing an overhead, slapping her leg after an errant forehand. Sabalenka took a trip to the locker room before the second set, and whether that helped clear her head or slowed Keys'

momentum — or both — the final's complexion soon changed. Keys' first-serve percentage dipped from 86% in the first set to 59% in the second. Sabalenka raised her winner total to 13 in the second set and began accumulating, and converting, break points. When she sent a backhand down the line to force an error by Keys for a break and a 2-1 lead in the second, Sabalenka shook her left fist and gritted her teeth as she walked to the sideline.

Rohit named captain of ICC's T20 International Team of the Year 2024

PTI ■ DUBAI
Rohit Sharma was on Saturday named captain of the ICC's T20 International Team of the Year 2024, which was predominantly Indian in its composition thanks to the side's memorable World Cup triumph in the format. The other Indian members of the all-star XI were pace spearhead Jasprit Bumrah, who also featured in the ICC's Test Team of the Year, all-rounder Hardik Pandya and left-arm seamer Arshdeep Singh. The standout performers from other nations to make the line-up were Australian marauder Travis Head, England's Phil Salt, Pakistan's Babar Azam, West Indies' Nicholas Pooran, Zimbabwe's Sikandar Raza, Afghanistan's Rashid Khan, and Sri Lanka's Wanindu Hasaranga. Rohit the Test captain and Test batter has been under considerable pressure in the past few months owing to a series of debacles for the team as well as him personally. But the 37-year-old's credentials in the shorter formats remain strong. In T20 Internationals, Rohit had an unforgettable 2024, both as a leader and a batter. The seasoned opener amassed 378 runs in 11 matches at an impressive average of 42.00 and a strike rate of over 160. Rohit played a pivotal role in India's triumphant T20 World Cup campaign in the USA and West Indies, with three half-centuries, including a sensational 92 against Australia in the Super Eight stage. "His astute leadership was instrumental in guiding a young Indian side through high-pressure situations, cementing his legacy as one of

India's greatest T20I captains," the ICC stated in a tribute to the 37-year-old, who was recently forced to show up in domestic red-ball games to reignite his Test career. Likewise, Pandya reaffirmed his stature as one of the world's finest all-rounders, playing a crucial role in India's successful campaign. In 17 matches, he scored 352 runs and claimed 16 wickets, finishing as the top-ranked ICC men's T20I all-rounder. His standout performance came in the T20 World Cup final against South Africa, where he defended 16 runs in the last over, securing India's title victory. His best bowling figures of 3/20 in the final underlined his ability to deliver under pressure. Bumrah has exemplified perfection in Indian cricket this past season across formats and T20 was no different. He led India's bowling attack and claimed 15 wickets in eight matches at an astonishing average of 8.26, making him a nightmare for opposition batters. His lethal yorkers and impeccable control at the death overs played a pivotal role in India's success, and his performances earned him a nomination for the Sir Garfield Sobers Trophy as ICC Men's Cricketer of the Year. The winner of that honour will be unveiled in the next three days. Young left-arm pacer Arshdeep Singh emerged as India's most prolific wicket-taker in 2024, scalping 36 wickets in 18 matches at an average of 13.50. Arshdeep's ability to swing the ball early and deliver pinpoint yorkers in the death overs made him indispensable to the Indian squad.

Arshdeep named ICC Men's T20I Cricketer of the Year

PTI ■ DUBAI
Indian left-arm seamer Arshdeep Singh was on Saturday crowned the ICC Men's T20I Cricketer of the Year 2024 for his influential role in the team's World Cup title triumph, which cemented his reputation as one of the leading short format bowlers. The 25-year-old took 36 wickets in 18 matches last year. He was also named in the ICC T20I Team of the Year 2024 earlier in the day alongside Rohit Sharma, Jasprit Bumrah and Hardik Pandya. In the T20 World Cup in the Americas, Arshdeep showcased his mastery in both powerplay and death bowling and ended the tournament as the joint highest wicket-taker alongside Afghanistan's Fazalhaq Farooqi with 17 scalps at an average of 12.64 across eight matches. His standout performance was one of the major factors behind India's campaign culminating in a dramatic seven-run victory over South Africa in the final in Barbados. In the final, he claimed 2/20, dismissing South African captain Aiden Markram early and breaking a threatening

partnership by removing Quinton de Kock during the middle overs. Tasked with bowling the penultimate over, Arshdeep conceded just four runs, setting the stage for Hardik Pandya to seal the win. A Stellar Year Arshdeep's T20I record in 2024 further underscores his dominance — 36 wickets in 18 matches at an average of 15.31 and an economy rate of 7.49. His strike rate of 10.80 was a testament to his wicket-taking prowess, especially given his challenging role in the powerplay and at the death. Only four players in the world took more T20I wickets than Arshdeep in a calendar year — Saudi Arabia's Usman Najeeb (38), Sri Lanka's Wanindu

during the T20 World Cup group stage, bagging remarkable returns of 4/9 in his four overs. But Arshdeep's most significant performance of the year came on the biggest stage of all, as he played a huge part in helping India successfully defend their total of 176 in the final in Barbados. Excellent with the new ball up top, Arshdeep struck in the powerplay to have the dangerous South African skipper Markram caught behind in just the third over. And when India were in need of a wicket in the middle overs it was Arshdeep that provided the breakthrough, dismissing a set Quinton de Kock when the Proteas looked to be in control of the chase. India's collective effort at the death was astonishing as South Africa pulled up seven runs short of their target, and Arshdeep played a huge role in that, returning to the attack to bowl the penultimate over with South Africa requiring 20 from 12 deliveries. Arshdeep delivered a near-perfect death over under the greatest pressure, conceding just four runs to leave Pandya with 16 runs to defend in the final over, a job that he spectacularly did.

Defending champion Jannik Sinner plays Alexander

PTI ■ MELBOURNE
It's not often that a man is able to follow up his first Grand Slam title by repeating as the champion at the same tournament a year later, which is what Jannik Sinner will be trying to do Sunday when he faces Alexander Zverev in the Australian Open final. The last time it happened was nearly 20 years ago: Rafael Nadal accomplished that sort of repeat at the 2005 and 2006 French Opens. He turned out OK. For the No. 1-ranked Sinner, the past year also included the doping case that is still unresolved. He tested positive for a trace amount of an anabolic steroid twice in March, which didn't become public until his

exoneration was announced shortly before the start of play at the U.S. Open — which he won. There is a hearing in the World Anti-Doping Agency's appeal scheduled in April. "He finds playing tennis matches to be his safe place. That's where he can go and do his thing and feel like this is what he knows, this is what he understands, what is what he's good at. It became a home for him to step on to the court and play tennis," said one of Sinner's two coaches, Darren Cahill, who will leave the team after this season. "There's been a lot of pressure around him for the last nine months now, since April last year. He deals with it as well as anybody that I've ever seen deal with pressure,"

Cahill said. "He's an amazing young man that's been able to put that to one side. ... He has a clear conscience." Over these two weeks in Australia, Sinner also dealt with health issues. He got medical attention when he felt dizzy and had an upset stomach during his fourth-round victory against No. 13 Holger Rune, then cramping late in his semifinal win over No. 21 Ben Shelton. "There's a lot of things going on, on and off the court. I try to isolate myself a little bit, trying to be myself on the court. Sometimes it's a bit easier. There are days where it's easier, days where I struggle a little bit more," said Sinner, a 23-year-old from Italy who can become the youngest man to win consecutive championships

at the Australian Open since Jim Courier in 1992-93. "I'm just happy to put myself in this position again," Sinner said, "to play for a big trophy again." Standing in his way is No. 2 Zverev, a 27-year-old from Germany who is 0-2 in previous major finals, losing both in five sets — to Dominic Thiem at the 2020 U.S. Open after taking the first two sets and holding a match point, and to Carlos Alcaraz at last year's French Open after leading by two sets to one. Zverev won his semifinal in Paris last June hours after an out-of-court settlement was announced in Berlin that ended a trial stemming from an ex-girlfriend's accusation of assault during a 2020 argument.

"Everything you've ever wanted is on the other side of fear"

— GEORGE ADDAIR

Tihar is more than just a correctional facility, it is a microcosm of society, brimming with stories of resilience, redemption and raw humanity. Following the excerpt from the book *355 Days: Pursuit of Freedom*.

With *Black Warrant* topping Netflix charts as the No. 1 show, the enigmatic world of Tihar Jail has captured the public's attention once again.

As one of Asia's largest and most complex prison systems, Tihar holds within its walls stories of resilience, despair, redemption and raw humanity. This newfound interest highlights society's fascination with the lives hidden behind prison walls, narratives that often remain untold but carry immense significance.

Tihar Jail is more than just a prison – it is a world within a world, housing individuals from all walks of life. From petty criminals to high-profile offenders, from activists to political prisoners, it is a microcosm of society where identities collide and stories unfold. Beneath the label of "convict" or "undertrial" lies a human being, grappling with remorse, survival, and perhaps even hope. Both *Black Warrant* and *355 Days* aim to shed light on this humanity, challenging the stereotypes often associated with prison life.

While *Black Warrant* provides chilling insights into executions and the inner workings of the prison system as a first-hand account by the former *Tihar Superintendent* and *ex-Legal*

The Changing Perception of Prison Life

Advisor of Delhi Jails, Sunil Gupta, the novel *355 Days*, inspired by true events, delves into the emotional and psychological journeys of inmates. Together, these narratives as well as other stories inspired by true events compel us to confront questions about justice, survival, and the power of redemption.

355 Days, an Amazon bestseller, delves into the complexities of life within *Tihar Jail*. The novel, which features a quote from *Sunil Gupta* on the cover stating it offers "A writing about a sensitive subject. An emotional journey with in-depth research of Tihar life," reinforces its commitment to authenticity. The endorsement highlights the novel's connection to the realities of life within *Tihar Jail*, appealing to readers interested in stories inspired by true events. *355 Days* transcends the typical crime story, weaving together legal drama with profound exploration of the protagonist's inner journey. This unique blend positions the novel within the sphere of philosophical prison drama. *Tihar Jail*, in many ways, serves as a mirror to

larger socio-economic and judicial systems. It reveals the inequities that plague our society, the struggles and resilience of the marginalised. While the prison itself is often viewed as a place of punishment, it also serves as a crucible of transformation. *Sunil Gupta's* tenure as Superintendent of *Tihar Jail* was instrumental in bringing significant reforms, including the establishment of legal aid cells, the streamlining of jail procedures with the *Delhi Jail Manual*, and the introduction of yoga and meditation programs for inmates. The rehabilitation initiatives and the skill-building workshops offer inmates a chance to rediscover themselves and have been instrumental in improving the lives of those incarcerated. When asked about the recent success of *Black Warrant* on Netflix, he said, "I believe in the power of selfless acts! I firmly hold that when you work towards the betterment of others, the universe rewards you in abundance. God's blessings and gratitude from those you've helped are the greatest rewards. Keep spreading

I BELIEVE IN THE POWER OF SELFLESS ACTS! I FIRMLY HOLD THAT WHEN YOU WORK TOWARDS THE BETTERMENT OF OTHERS, THE UNIVERSE REWARDS YOU IN ABUNDANCE. GOD'S BLESSINGS AND GRATITUDE FROM THOSE YOU'VE HELPED ARE THE GREATEST REWARDS. KEEP SPREADING KINDNESS, AND MAKING A DIFFERENCE!

kindness, and making a difference!" Literature and media have the unique ability to humanise even the most vilified. By presenting detailed, empathetic narratives, they remind us that every prisoner has a story, a past and, perhaps, a chance at a better future. Stories like *Black Warrant* and *355 Days* do not shy away from the darkness but instead bring to light the glimmers of hope and humanity that exist even in the bleakest environments. Recent years have seen several films inspired by real-life incidents. Notably, *Shahid* (2012), a critically acclaimed biographical drama based on the life of human rights lawyer *Shahid Azmi*, garnered numerous awards for its portrayal of his fight for justice for the wrongfully accused. *Lucknow Central* (2017), exploring the realities of life within Indian prisons, received positive reviews and praise for *Farhan Akhtar's* performance. However, it was the 2018 biopic *Sanju* – depicting the life of *Sanjay Dutt*, that achieved blockbuster status, breaking several box office records. Through literature and media, we can begin to bridge the gap between perception and reality, inching closer to a more nuanced understanding of the world behind bars.

ROVING THROUGH DUBAI'S ARTFUL HEART

As I arrived at *Rove City Walk Dubai*, anticipation coursed through me. Touted as a modern gem in this cultural capital, I was eager to see if it would live up to the remarkable reviews, says **AKANKSHA DEAN**

As I stepped into the vibrant realm of *Rove City Walk*, the first thing that struck me was the energy of the lobby. It wasn't just a reception area; it was a hub of creativity and warmth. I was immediately enveloped by a design philosophy that blended harmoniously with its lush surroundings. Channelling the spirit of the local environment, the hotel intertwines the tales of Dubai's rich culture with modern touches, creating captivating backdrops that demand to be photographed. This isn't just a hotel; it's a canvas where every corner tells a story waiting to be shared on Instagram. This artistic flair was a delightful prelude to the stylish experience awaiting me.

STYLISH COMFORT IN DOWNTOWN DUBAI:

The check-in was seamless, thanks to the friendly and engaging staff who made me feel at home from the moment I arrived. Located in the heart of the city, I felt the pulse of Dubai within my reach. Just a 15-minute journey from Dubai International Airport, the hotel's strategic location makes it ideal for both business travellers and holidaymakers alike. My home for the stay was one of the 560 spacious rooms, each designed with the modern traveller in mind. My room, with its innovative décor and local

artworks, was a cosy retreat. Looking out the window, the view of the majestic Burj Khalifa was awe-inspiring, creating a perfect backdrop for my stay. I loved that 30 percent of these rooms are interconnecting, a thoughtful feature for families or groups. With complimentary Wi-Fi, plush designer mattresses, and sofa beds perfect for unwinding after a day of exploration, it felt like the ideal sanctuary. The modern bathrooms, complete with power rain showers, were the cherry on top, offering a refreshing escape. The sense of ease continued beyond the room. The 24-hour gym kept me motivated, while the inviting pool and sun deck offered a tranquil refuge for relaxation. A self-service laundromat and a boutique convenience store added to the sense of independent living, making it feel like I could call this place my own. The hotel also features co-working spaces that are both functional and inspiring for creativity, making it an excellent choice for business gatherings and social celebrations.

The Daily, an all-day neighbourhood hangout, was the perfect spot to unwind. Whether dining in or grabbing something for later, I was never disappointed. Quality coffee paired with globally-

inspired, nutritious dishes kept me fuelled for my adventures, and the vibe was just right for casual conversations with fellow travellers.

DOWNTOWN'S VIBRANT CHARM:

One of the best aspects of staying at *Rove City Walk* is its prime location, coupled with the convenience of a complimentary shuttle service to various attractions. A leisurely stroll led me to the iconic Coca-Cola Arena at City Walk, and it was just as easy to dip my toes in the sparkling waters of Jumeirah Beach.

I hopped on the hotel bus, which whisked me away to the sprawling Dubai Mall. As I arrived at one of the world's largest shopping destinations, the sheer

scale and opulence of the mall took my breath away. I strolled past luxury boutiques, indulged in some retail therapy, and marvelled at the massive aquarium teeming with vibrant marine life.

While at the Dubai Mall, I also experienced the mesmerising Dubai Fountain show. The synchrony of water, light and music created an unforgettable spectacle, an enchanting performance that lingered in my mind long after the final splash.

Another day, I visited City Walk, brimming with chic boutiques and eye-catching street art. I lost myself in the colours of the art installations and enjoyed a leisurely meal at one of the trendy cafés. Nearby, the Green Planet, an extraordinary indoor rainforest, invited exploration among its lush greenery and exotic wildlife. It was a refreshing change of pace, showcasing the diversity of ecosystems right in the heart of the city.

When evening approached, I made my way to the Dubai Opera House for an enriching cultural experience. The performances held there were world-class, each one a captivating expression of artistry and creativity. **LAST MOMENTS OF BLISS:** After several exhilarating days of exploration, it was time to wrap up my Dubai adventure. Late check-out at 2 PM

was a blessing, allowing me to linger longer in this oasis before heading out. However, I extended my experience with a last-minute visit to the Plaza Premium Lounge at the airport, a tranquil haven before my departure.

As I settled into the lounge's plush seating, the welcoming ambience provided the perfect setting to reflect on my unforgettable trip. I treated myself to gourmet snacks and beverages, relishing the peaceful environment. The lounge's modern décor and views of the airport buzz were a gentle reminder of the journeys that lay ahead.

As I bid farewell to Dubai, I took one last glance at the cityscape. In my time at *Rove City Walk*, I discovered more than just a temporary home; I found a vibrant community hub that embodies the essence of Dubai while delivering comfort and convenience. Every moment spent here was a reminder of why I love exploring the world, one hotel at a time.

Soul Connections — Karmic Ties

THE LIFE GUIDANCE

Seerat Kaur Marwaha

Karmic ties tend to mirror unresolved issues, such as fear of abandonment or low self-worth

Some relationships feel like a gentle breeze, soothing and effortless, while others ignite storms that shake us to our core. In life, we encounter people who awaken our deepest joys and others who surface unresolved pain. These connections, seemingly fated, carry a sense of purpose beyond the mundane. They bring lessons, healing, and sometimes chaos. The line between love and challenge blurs, leaving us to wonder why some bonds feel like a sanctuary, while others seem destined to test our limits. Understanding these relationships requires a closer look at the intricate dance of souls and the threads that bind them. At the heart of this mystery lies the concept of soul connections and karmic ties. While both feel deeply significant, their essence is starkly different. Soul connections are a meeting of kindred spirits, an undeniable resonance that feels like coming home. These relationships, romantic or platonic, carry a sense of ease and mutual growth. There is a quiet knowing, a recognition transcending time and space. It's as though the souls involved are dancing to the same rhythm, supporting one another in becoming their best selves. The

love shared in such relationships is often unconditional, fostering harmony and uplifting both individuals. Karmic ties, on the other hand, are far from serene. Rooted in the spiritual concept of karma, these relationships arise from unresolved energies or past-life debts. They feel magnetic, intense, and at times suffocating. Unlike soul connections, which nurture peace, karmic ties are turbulent, marked by repetitive patterns and emotional upheavals. They challenge us, forcing confrontation with our deepest wounds and shadows. It is as if the universe orchestrates these encounters to ensure we address the unfinished business of our souls. Psychologically, these two types of relationships function differently. Soul connections align with what Carl Rogers referred to as unconditional positive regard, a state of mutual understanding and acceptance. These bonds thrive on vulnerability and trust, creating a safe space for authenticity. Dr. Arthur Aron's research on intimacy underscores this, showing that genuine closeness arises when individuals feel seen and valued without judgment. Soul connections provide this sanctuary,

allowing both individuals to grow together without the strain of unhealed trauma. In contrast, karmic ties often reflect unresolved attachment wounds. Studies on attachment theory by Mary Ainsworth and John Bowlby show how early experiences shape relational patterns. Karmic ties tend to mirror unresolved issues, such as fear of abandonment or low self-worth. These intense relationships can feel overwhelming but serve a purpose. Acting as mirrors, they reflect insecurities, inviting healing. Their emotional chaos is not punishment but guidance toward self-awareness and transformation. Energy dynamics further differentiate these relationships. Soul connections are energising,

akin to basking in sunlight that is warm and nurturing. Karmic ties, however, often feel draining, like an unrelenting storm. This imbalance arises because karmic relationships are designed to break us open, forcing us to confront lessons we've avoided. Once these lessons are learned, the tie often dissolves, leaving us wiser and stronger. Healing from both types of relationships requires nuanced approaches. In soul connections, nurturing the bond is key. Gratitude journaling and mindfulness meditation strengthen harmony and foster growth. Positive psychology research shows expressing gratitude enhances relationship satisfaction and resilience, preserving the sanctity of such connections.

Healing karmic ties is more arduous. The first step is recognising patterns and understanding embedded lessons. This requires introspection and self-awareness. Energy healing techniques like chakra balancing and Emotional Freedom Techniques (EFT) can release stuck emotions. Studies by Dr. Dawson Church highlight EFT's effectiveness in reducing stress and fostering clarity. Karmic ties often involve sacred and heart chakra imbalances, which meditations and affirmations can address. Boundary-setting is crucial in healing karmic ties. Many struggle with over-giving or seeking validation. Prioritising self-worth and asserting needs can break cycles of dependency. Though challenging, this process is liberating, transforming relationships into growth opportunities rather than sources of pain. Spiritual and psychological dimensions of these relationships intertwine deeply. Spiritual teachings describe relationships as mirrors, reflecting unhealed wounds or highest potential. Carl Jung's concept of the shadow self explains how unresolved aspects of our psyche manifest externally

until integrated. Soul connections reveal our potential, while karmic ties confront the shadows we avoid. Scientific studies support relationships' transformative power. Research on neuroplasticity shows challenging relationships can rewire our brains, fostering growth and resilience. Whether harmonious soul connections or turbulent karmic ties, both serve purposes in spiritual evolution. The distinction between these relationships is more than theoretical. It's a guide for navigating love's complexities. Soul connections reveal unconditional love's beauty and growth potential, while karmic ties demand healing and transformation. Both offer unique lessons for self-discovery. Ultimately, these relationships guide us toward self-realisation. Whether soothing the soul or testing its limits, each bond deepens our understanding of ourselves. As Rumi said, "The wound is the place where the Light enters you." Through the intricate dance of soul connections and karmic ties, every wound and moment of love brings us closer to the light within. — She is a Life Coach and Founder of Soulful Wellness
